COMMISSION REGULATION (EEC) No 2562/85

of 11 September 1985

fixing the buying-in prices for carcases and half-carcases in the beef and veal sector valid with effect from 30 September to 18 October 1985 and repealing Regulation (EEC) No 1368/85

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 805/68 of 27 June 1968 on the common organization of the market in beef and veal (1), as last amended by the Act of Accession of Greece, and in particular Article 6 (5) (c) thereof,

Having regard to Council Regulation (EEC) No 1308/85 of 23 May 1985 fixing for the 1985/86 marketing year the guide price and intervention price for adult bovine animals (2), and in particular Article 3 (5) thereof,

Whereas, pursuant to the provisions of Council Regulation (EEC) No 1302/73 of 15 May 1973 laying down general rules for intervention on the market in beef and veal (3), as last amended by Regulation (EEC) No 427/77 (4), the qualities and presentations of products bought in must be determined while taking account, on the one hand, of the need to ensure effective support for the market and balance between the market in question and that of rival animal products and, on the other hand, the Community's financial responsibilities in this field;

Whereas, in view of the situation in the beef and veal market and the unsettled prospects, provision should be made for producers to be able to offer carcases and half-carcases of certain qualities of bovine animals into intervention;

Whereas, by Regulation (EEC) No 869/84 of 31 March 1984 (5), the Council decided, by way of an experiment, to implement for a period of three years the Community scale for the classification of carcases of adult bovine animals established under Regulation (EEC) No 1208/81 (6) in connection with intervention measures; whereas the categories and qualities of products which may be bought in by the intervention agencies must therefore be defined on the basis of the said scale;

Whereas the maximum and minimum limits within which the Member States may vary the buying-in prices to take account of the classification subdivisions which they apply by virtue of Article 3 (3) of Regulation (EEC) No 1208/81 should be defined for each quality;

Whereas Commission Regulation (EEC) No 1368/85 of 24 May 1985 fixing the buying-in prices for forequarters in the beef and veal sector valid with effect from 27 May 1985 (7), as amended by Regulation (EEC) No 2316/85 (8), should be repealed;

Whereas the Management Committee for Beef and Veal has not delivered an opinion within the time limit set by its chairman,

HAS ADOPTED THIS REGULATION:

Article 1

1. With effect from 30 September to 18 October 1985, the intervention agencies shall buy in carcases and half-carcases of certain qualities of adult bovine animals offered subject to the conditions laid down in Regulation (EEC) No 2226/78 (9) at prices fixed for each product in the Annex hereto.

2. The buying-in prices for each quality, referred to in paragraph 1, may be increased by a maximum of 2 ECU or reduced by a maximum of 5 ECU to take account of the possible subdivision of each classification under the Community scale referred to in Article 3 (3) of Regulation (EEC) No 1208/81.
