of 21 November 1985

amending for the seventh time Regulation (EEC) No 3077/78 on the equivalence with Community certificates of attestations accompanying hops imported from non-member countries

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to Council Regulation (EEC) No 1696/71 of 26 July 1971 on the common organization of the market in hops (1), as last amended by the Act of Accession of Greece, and in particular Article 5 (2) thereof,

Whereas, since that time, the German Democratic Republic has undertaken to comply with the requirements laid down for the marketing of hops and hop products and has authorized a body to issue attestations of equivalence ; whereas it is appropriate, therefore, to recognize those attestations as being equivalent to Community certificates and to allow into free circulation the products which they cover ; whereas it is necessary to supplement in this respect the Annex to Regulation (EEC) No 3077/78 ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Hops,
