COMMISSION REGULATION (EEC) No 363/85

of 7 February 1985

amending Regulation (EEC) No 2051/75 in respect of reimbursement of aids granted by Member States for improvement of the production and marketing of Community citrus fruit

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2511/69 of 9 December 1969 laying down special measures for improving the production and marketing of Community citrus fruit (1), as last amended by Regulation (EEC) No 2004/83 (2), and in particular Article 5 (3), thereof,

Whereas Council Regulation (EEC) No 1204/82 (3) amended and supplemented the aids originally provided for in Regulation (EEC) No 2511/69;

Whereas, therefore, the forms provided for in Commission Regulation (EEC) No 2051/75 (4) should be amended to take account of the new provisions;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Fund Committee,

HAS ADOPTED THIS REGULATION:

Sole Article

1. Annexes I to IV to Regulation (EEC) No 2051/75 are hereby replaced by Annexes 1 to 7 to this Regulation.

2. Member States shall provide the Commission at the time of their first application for reimbursement with the text of national implementing provisions, administrative introductions, forms and any other documents relating to the implementation of programmes approved under Regulation (EEC) No 1204/82.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 7 February 1985.

For the purposes of Annexes 2 to 6 the administrative units shall be: France — Corsica
Greece — Nomoi
Italy — Provinces

It is hereby certified that:

All measures

— the expenditure for which reimbursement is requested relates to schemes provided for in Regulation (EEC) No 2511/69, as amended by Regulation (EEC) No 1204/82, implemented under a plan as referred to in Article 2 of that Regulation,

— the schemes for which aid has been paid in accordance with Regulation (EEC) No 1204/82 commenced after the entry into force of that Regulation,

— the schemes applying in Corsica were begun before 31 December 1983 and will be completed by 31 December 1986,

— the beneficiaries have been informed, as appropriate, of the proportion of aid (in percent) provided by the Community.

Establishment, improvement and enlargement of centres for handling, storing and processing citrus fruit

the cost to the EAGGF of schemes under Article 1 (1) (b) of Regulation (EEC) No 2511/69 does not exceed 15 % of the total cost of medium-term measures provided for in that Regulation for financing by the Fund.

Restructuring and land improvement

— the new plantings, not involving conversion, have been carried out on land well suited to citrus fruit production using varieties which meet consumer requirements; such plantations are intended to replace existing plantations and do not increase the area planted with citrus fruit,

— the improvement measures have been accompanied by practical steps to control plants and diseases.

Production of propagating material

the aid for the production of propagating material has been confined to the requirements of the national plan.

Additional aid

— the additional aid referred to in Articles 1 (3) and 4 of Regulation (EEC) No 2511/69, as amended by Regulation (EEC) No 1204/82, has been paid to full-time farmers growing oranges, mandarins or lemons, whose farm income before conversion does not exceed the income derived from five hectares of orange, mandarin or lemon trees; at least 40 % of the area used for growing oranges, mandarins or lemons has undergone conversion at one time and an area of at least 20 ares has been converted.

— the maximum amount of and maximum duration for the aid as laid down in Article 4 (2) of Regulation (EEC) No 2511/69, as amended by Regulation (EEC) No 1204/82, have been observed.

Measures relating to collective conversion schemes

the collective conversion schemes are being carried out by growers under a mandatory agreement concluded between at least 25 growers who have a total of at least 50 ha of citrus fruit which commits them to the conversion of at least 20 ha. Where schemes are carried out by a cooperative or a producer group or association set up for purposes other than citrus fruit conversion, the minimum number of 25 growers shall not be a binding requirement.
