COMMISSION REGULATION (EEC) No 3693/85

of 23 December 1985

laying down rules for calculating withdrawal prices and fixing the withdrawal prices, for the 1986 fishing year, for the fishery products listed in Annex I (A) and (D) to Regulation (EEC) No 3796/81 and for certain products landed in areas very distant from the main areas of consumption in the Community

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3796/81 of 29 December 1981 on the common organization of the market in fishery products (1), as amended by Regulation (EEC) No 3655/84 (2), and in particular Article 12 (3) thereof,

Whereas Article 12 (1) of Regulation (EEC) No 3796/81 provides that, for each of the products listed in Annex I (A) and (D), a withdrawal price shall be fixed by applying the conversion factor for the product category concerned to an amount equal to at least 70 % but not more than 90 % of the guide price;

Whereas changes in production and marketing structures in the Community make it necessary to alter the basis for calculating the withdrawal price as compared with the preceding fishing year;

Whereas Article 12 (2) of Regulation (EEC) No 3796/81 provides that the withdrawal price may be multiplied by conversion factors in landing areas which are very distant from main centres of consumption in the Community;

Whereas the guide prices for the 1985 fishing year were fixed for all the products in question by Council Regulation (EEC) No 3602/85 (3);

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Fishery Products,

HAS ADOPTED THIS REGULATION:

Article 1

The percentages of the guide price as referred to in Article 12 (1) of Regulation (EEC) No 3796/81, which are used as the basis for the calculation of the withdrawal prices, shall be as shown in Annex I for each species of fish concerned.

Article 2

The conversion factors as referred to in Article 12 (1) of Regulation (EEC) No 3796/81, which are used for the calculation of the withdrawal prices for the products listed in Annex I (A) and (D) to the said Regulation shall be as shown in Annex II.

Article 3

The landing areas which are very distant from the main centres of consumption in the Community within the meaning of Article 12 (2) of Regulation (EEC) No 3796/81, the conversion factors and the products to which those factors related shall be as shown in Annex III.

Article 4

The withdrawal prices, as referred to in Article 12 (1) of Regulation (EEC) No 3796/81 and applicable for the 1986 fishing year, and the products to which those prices relate shall be as shown in Annex IV.

Article 5

The withdrawal prices, as referred to in Article 12 (2) of Regulation (EEC) No 3796/81 and applicable for the 1986 fishing year in the landing areas which are very distant from the main centres of consumption in the Community, and the products to which those prices relate shall be as shown in Annex V.

Article 6

This Regulation shall enter into force on 1 January 1986.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 23 December 1985.

For the Commission

Frans ANDRIESSEN

Vice-President

ANNEX I

Percentage of guide price used in calculating withdrawal prices

Product	%
Herrings	85
Sardines :	
— from the Atlantic	85
— from the Mediterranean	85
Dogfish *(Squalus acanthias)*	80
Dogfish *(Scyliorhinus spp.)*	80
Redfish	90
Cod	80
Saithe	80
Haddock	80
Whiting	80
Ling	80
Mackerel	85
Anchovies	85
Plaice	83
Hake	90
Shrimps of the species *Crangon Crangon*	90

ANNEX II

Products listed in Annex I (A) and (D) to Regulation (EEC) No 3796/81

Species	Size (1)	Conversion factor			
		Gutted fish with head		Whole fish
