COUNCIL REGULATION (EEC) No 3721/85

of 20 December 1985

fixing, for certain fish stocks and groups of fish stocks, total allowable catches for 1986 and certain conditions under which they may be fished

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 170/83 of 25 January 1983, establishing a Community system for the conservation and management of fishery resources (1), and in particular Article 11 thereof,

Having regard to the proposal from the Commission,

Whereas, under the terms of Article 3 of Regulation (EEC) No 170/83, it is incumbent upon the Council to formulate, in the light of the available scientific advice and, in particular, of the report prepared by the Scientific and Technical Committee for Fisheries, the conservation measures necessary to achieve the aims set out in Article 1 of the same Regulation;

Whereas under the terms of Article 3 of Regulation (EEC) No 170/83, it is incumbent upon the Council to establish the total allowable catches by stock or group of stocks, the share available for the Community and also the specific conditions under which the catches must be made; whereas, under the terms of Article 4 of the same Regulation, the share available for the Community is allocated between the Member States;

Whereas, in order to ensure the protection of fishing grounds and fish stocks and the balanced exploitation of the resources of the sea, in the interests of both fishermen and consumers, there should be fixed, each year for the different species of which the catches must be restricted, a total allowable catch (TAC) per stock or group of stocks and the share of these catches available to the Community taking into account its commitments to third countries;

Whereas, in order to ensure effective management of these TACs, the specific conditions under which fishing operations occur should be established;

Whereas, in order to ensure effective management, the TACs available for the Community in 1986 should be distributed among the Member States in a manner which assures relative stability of fishing activities;

(1) OJ No L 24, 27. 1. 1983, p. 1.

Whereas, in conformity with the procedure provided for in Article 2 of the fisheries agreement between the European Economic Community and the Kingdom of Norway (2), Article 2 of the fisheries agreement between the European Economic Community and the Kingdom of Sweden (3), and Article 2 of the fisheries agreement between the European Economic Community and the government of Denmark and the local government of the Faroe Islands (4), the parties have consulted on their reciprocal fishing rights for 1986;

Whereas these bilateral consultations have been successfully concluded and whereas, as a result, it is possible to fix the TACs, the Community shares and the quotas for certain joint and autonomous stocks, of which part is allocated to Norway, Sweden or the Faroe Islands;

Whereas trilateral consultations with Norway and Sweden concerning reciprocal fishing rights in the Skagerrak and the Kattegat have been concluded and whereas it is therefore possible to fix definitively the TACs and the Community shares available for the stocks in these areas;

Whereas, in the case of certain stocks fished mainly for reduction to meal and oil, it does not appear necessary to make quota allocations;

Whereas, taking account of the latest scientific advice, it is no longer necessary to establish separate TACs and quotas for the herring stocks in the Irish Sea;

Whereas the provisional TACs for 1986, and the conditions under which they may be taken, are to come into effect as from 1 January 1986; whereas the very short period of time now remaining before they come into effect means that an initial period of application, limited in time, will have to be provided for in order to enable the Council to confirm, before the end of that period, the decisions taken,

HAS ADOPTED THIS REGULATION:

Article 1

This Regulation fixes for 1986, for certain fish stocks and groups of fish stocks, total allowable catches (TACs) per stock or group of stocks, the share of these catches

(2) OJ No L 226, 29. 8. 1980, p. 48.
(3) OJ No L 226, 29. 8. 1980, p. 2.
(4) OJ No L 226, 29. 8. 1980, p. 12.

available to the Community, the allocation of that share among Member States and the specific conditions under which these stocks may be fished (1).

For the purposes of this Regulation, the Skagerrak is bounded on the west by a line drawn from the Hanstholm lighthouse to the Lindesnes lighthouse and on the south by a line drawn from the Skagen lighthouse to the Tistlarna lighthouse and from this point to the nearest point on the Swedish coast.

For the purposes of this Regulation, the Kattegat is bounded on the north by a line drawn from the Skagen lighthouse to the Tistlarna lighthouse and from this point to the nearest point on the Swedish coast and on the south by a line drawn from Hasenøre to Gnibens Spids, from Korshage to Spodsbjerg and from Gilbjerg Hoved to Kullen.

Article 2

TACs for stocks or groups of stocks to which Community rules apply and the share of these catches available to the Community are hereby fixed for 1986 in Annex I.

Article 3

The allocation among the Member States of the share available to the Community of the TACs mentioned in Article 2 is fixed in Annex II.

Article 4

As regards the herring stock of the North Sea and of the eastern English Channel, transfers of up to 25 % of the quotas may be effected from ICES divisions IV c and VII d to ICES division IV b.

However, such transfers must be notified in advance to the Commission.

Article 5

1. It shall be prohibited to retain on board or to land catches from stocks for which TACs or quotas are fixed unless:

(i) the catches have been taken by vessels of a Member State having a quota and that quota is not exhausted, or

(ii) the share of the TAC available to the Community (Community share) has not been allocated by quota among Member States and the Community share has not been exhausted, or

(iii) for all species other than herring and mackerel, they are mixed with other species and have been taken in accordance with Articles 8 and 9 of Regulation (EEC) No 171/83 (2), as last amended by Regulation (EEC) No 3625/84 (3) and are not sorted either on board or on landing, or

(iv) for herring, they are within the limits of paragraph 2, or

(v) for mackerel, they are mixed with horse-mackerel or pilchard and the mackerel does not exceed 10 % of the total weight of mackerel, horse-mackerel and pilchard on board and the catches are not sorted, or

(vi) they are caught during the course of scientific investigations carried out under the provisions of Regulation (EEC) No 171/83.

All landings shall count against the quota, or, if the Community share has not been allocated between Member States by quotas, against the Community share, except for catches made under the provisions of (iii), (iv), (v) and (vi).

2. In areas other than the Skagerrak, the Kattegat and the Baltic Sea (ICES divisions III b, c, d) it shall be prohibited to retain on board catches of herring mixed with other species unless such catches are not sorted and unless the herring, if mixed with sprat only, does not exceed 10 % by weight of the total weight of herring and sprat combined.

In areas other than the Baltic Sea, it shall be prohibited to retain on board catches of herring mixed with other species unless such catches are not sorted and unless the herring, if mixed with other species whether or not including sprat, does not exceed 5 % by weight of the total weight of the herring and other species combined.

3. The determination of the percentage of by-catches and their disposal shall be made in accordance with Article 10 of Regulation (EEC) No 171/83.

Article 6

1. Fishing for herring shall be prohibited from 1 July to 31 October 1986 within the area bounded by the following coordinates:

(1) The definition of the ICES areas referred to in this Regulation is given in a Commission communication (OJ No C 140, 3. 6. 1982, p. 3).

(2) OJ No L 24, 27. 1. 1983, p. 14.
(3) OJ No L 335, 22. 12. 1984, p. 3.

— the west coast of Denmark at 55°30′ N,

— latitude 55°30′ N longitude 7°00′ E,

— latitude 57°00′ N longitude 7°00′ E,

— the west coast of Denmark at 57°00′ N.

2. Fishing for herring shall be prohibited in the zone extending from six to 12 miles off the east coast of the United Kingdom as measured from the baselines between latitudes 54°10′ N and 54°45′ N for the period 15 August to 30 September and between latitudes 55°30′ N and 55°45′ N for the period 15 August to 15 September.

3. Fishing for herring shall be prohibited throughout the year in the Irish Sea (ICES Division VII a) in the maritime area between the west coasts of Scotland, England and Wales and a line drawn 12 miles from the baselines of these coasts bounded to the south by latitude 53°20′ N and to the north-west by a line drawn between the Mull of Galloway (Scotland) and the Point of Ayre (Isle of Man).

4. Fishing for herring shall be prohibited from 1 September to 16 November 1986 in the parts of the Irish Sea (ICES division VII a) bounded by the following coordinates:

(a) — the east coast of the Isle of Man, at latitude 54°20′ N,

— latitude 54°20′ N, longitude 3°40′ W,

— latitude 53°50′ N, longitude 3°50′ W,

— latitude 53°50′ N, longitude 4°50′ W,

— the south-west coast of the Isle of Man at longitude 4°50′ W;

(b) — the east coast of Northern Ireland at latitude 54°15′ N,

— latitude 54°15′ N, longitude 5°15′ W,

— latitude 53°50′ N, longitude 5°50′ W,

— the east coast of Ireland at latitude 53°50′ N.

Fishing for herring shall be prohibited throughout 1986 in Logan Bay (defined as being the waters east of a line drawn from the Mull of Logan, situated at latitude 54°44′ N and longitude 4°59′ W, to Laggantalluch Head, situated at latitude 54°41′ N and longitude 4°58′ W).

5. By derogation from paragraph 4, vessels with a length not exceeding 40 feet based in ports situated on the east coast of Ireland and Northern Ireland between latitudes 53°00′ N and 55°00′ N may fish for herring in the prohibited area described in paragraph 4 (b). The only method of fishing authorized shall be drift netting with nets of a minimum mesh size of 54 mm.

6. The areas described in paragraphs 3 and 4 may be altered in accordance with the procedure laid down in Article 14 of Regulation (EEC) No 170/83.

Article 7

1. Fishing for sprat with trawls of a minimum mesh size of less than 32 mm shall be prohibited:

— for all vessels of overall length of 25 m or above;

— in the Skagerrak, from 1 January to 30 September;

— in the Kattegat, from 1 January to 31 December;

— for all vessels of overall length less than 25 m fishing in either the Skagerrak or the Kattegat:

— from 1 January to 10 August.

2. Fishing for sprat shall be prohibited:

(a) from 1 July to 31 October 1986 within the area bounded by the following coordinates:

— the west coast of Denmark at 55°30′ N,

— latitude 55°30′ N, longitude 7°00′ E,

— latitude 57°00′ N, longitude 7°00′ E,

— the west coast of Denmark at 57°00′ N;

(b) in ICES statistical rectangle 39E8 form 1 January to 31 March 1986 and from 1 October to 31 December 1986. For the purposes of this Regulation this ICES rectangle is bounded by a line running due east from the east coast of England along latitude 55°00′ N to longitude 1°00′ W, due north to latitude 55°30′ N and due west to the English coast;

(c) in the inner waters of the Moray Firth west of longitude 3°30′ W and in the inner waters of the Firth of Forth west of longitude 3°00′ W from 1 January to 31 March 1986 and from 1 October to 31 December 1986.

Article 8

Trawling and purse seining for mackerel, sprat and herring shall be prohibited in the Skagerrak from Saturday midnight to Sunday midnight and in the Kattegat from Friday midnight to Sunday midnight.

Article 9

This Regulation shall enter into force on 1 January 1986.

It shall apply until 25 January 1986, subject to the Council's taking a decision before that date.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 20 December 1985.

For the Council

The President

R. STEICHEN

ANNEX I

TACs by stock and by area for 1986 — shares available to the Community

Species	ICES division or NAFO zone	TAC 1986 (in tonnes)	Shares available to the Community for 1986 (in tonnes)
Cod	III a Skagerrak	29 000 (*)	23 920

Herring	VI a South (9), VII b, c	17 000	17 000
Herring	VI a Clyde stock (10)	3 100	3 100
Herring	VII a (11)	6 300	6 300
Herring	VII e, f	500 (*)	500
Herring	VII g to k (12)	17 200	17 200
Capelin	II b		0 (13)
Atlantic salmon	III b, c, d (EC zone)	870 (*)	870

Footnotes:

(1) Excluding an estimated 3 500 tonnes of industrial by-catch.

(2) Excluding an estimated 20 000 tonnes of industrial by-catch.

(3) Excluding catches taken by Norway in the Norwegian fjords west of Lindesnes.

(4) Includes all by-catches of all other species which are caught when fishing for sprat and which are landed unsorted.

(5) Fishing for prawn *Penaeus subtilis* and *Penaeus brasiliensis* is prohibited in waters less than 30 metres deep.

(6) For the period 1 January to 30 June.

(7) Blackwater stock: reference is to the herring stock in the maritime region of the Thames Estuary between Felixstowe and North Foreland within 6 miles from the United Kingdom baselines.

(8) Reference is to the herring stock in ICES division VI a, south of 56°00′ N and west of 7°00′ W. situated east of 7°00′ W and north of 55°00′ N, excluding the Clyde as defined in footnote 10 of Annex I.

(9) Reference is to the herring stock in ICES division VI a, south of 56°00′ N and west of 7°00′ W.

(10) Clyde stock: reference is to the herring stock in the maritime area situated to the north-east of a line drawn between Mull of Kintyre and Corsewall Point.

(11) ICES VII a is reduced by the area added to the Celtic Sea bounded:
- to the north by latitude 52°30′ N,
- to the south by latitude 52°00′ N,
- to the west by the coast of Ireland,
- to the east by the coast of the United Kingdom.

(12) Increased by zone bounded:
- to the north by latitude 52°30′ N,
- to the south by latitude 52°00′ N,
- to the west by the coast of Ireland,
- to the east by the coast of the United Kingdom.

(13) Without prejudice to the Community rights and subject to revision in the light of scientific advice.

(a) Includes 1 500 tonnes exceptionally allocated to Denmark outside the allocation key.

(*) Precautionary TAC.
