COUNCIL REGULATION (EEC) No 3772/85

of 20 December 1985

amending Regulation (EEC) No 1678/85 fixing the conversion rates to be applied in agriculture

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1676/85 of 11 June 1985 on the value of the unit of account and the conversion rates to be applied for the purposes of the common agricultural policy (1), and in particular Article 2 (3) thereof,

Having regard to the proposal from the Commission,

Having regard to the opinion of the Monetary Committee,

Whereas the agricultural conversion rates now applicable were fixed by Regulation (EEC) No 1223/83 (2), as last amended by Regulation (EEC) No 1297/85 (3); whereas they were republished in Regulation (EEC) No 1678/85 (4), entering into force on 1 January 1986;

Whereas normally the agricultural conversion rates are equal to the central rates of the relevant currencies multiplied by the correction factor referred to in the third subparagraph of Article 2 (2) of Regulation (EEC) No 1676/85; whereas the agricultural conversion rate should be adjusted with effect from the beginning of the marketing year for the relevant, agricultural products; whereas, with regard to sheepmeat and goatmeat, the date on which the marketing year begins has been fixed at the first Monday in January; whereas the agricultural conversion rate applicable in this sector in France should therefore be adjusted from the new marketing year;

Whereas it has been found that the Annexes to Regulation (EEC) No 1678/85 do not mention all the marketing years of the products coming under the processed fruit and vegetables sector; whereas appropriate additions should be made to these Annexes;

HAS ADOPTED THIS REGULATION:

Article 1

The Annexes to Regulation (EEC) No 1678/85 are hereby replaced by the Annexes to this Regulation.

Article 2

This Regulation shall enter into force on 1 January 1986.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 20 December 1985.

For the Council

The President

R. STEICHEN
