COUNCIL REGULATION (EEC) No 3777/85

of 31 December 1985

amending Regulation (EEC) No 3721/85 fixing, for certain fish stocks and groups of fish stocks, the total allowable catches for 1986 and certain conditions under which they can be fished

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal and in particular Articles 161, 164, 165, 349 and 352 thereof,

Having regard to Council Regulation (EEC) No 170/83 of 25 January 1983 establishing a Community system for the conservation and management of fishery resources (1), and in particular Article 11 thereof,

Having regard to the proposal from the Commission,

Whereas under the terms of Article 2 of Regulation (EEC) No 170/83 it is incumbent upon the Council to formulate, in the light of the available scientific advice and, in particular, of the report prepared by the Scientific and Technical Committee for Fisheries, the conservation measures necessary to achieve the aims set out in Article 1 of the same Regulation;

Whereas under the terms of Article 3 of Regulation (EEC) No 170/83 it is incumbent upon the Council to establish the total allowable catches by stock or group of stocks, the share available for the Community and also the specific conditions under which the catches must be made; whereas, under the terms of Article 4 of the same Regulation, the share available for the Community is allocated between the Member States;

Whereas Article 161 of the Act of Accession fixes the share of the total allowable catches to be allocated to Spain for certain stocks in certain zones;

Whereas Article 164 of the Act of Accession establishes the activities which may be carried out under certain circumstances by vessels flying the flag of Member States, with the exception of Spain and Portugal, in the waters of the Atlantic Ocean falling under the sovereignty or within the jurisdiction of Spain and covered by the International Council for the Exploration of the Sea (ICES);

(1) OJ No L 24, 27. 1. 1983, p.1.

Whereas Article 165 of the Act of Accession establishes the activities which may be carried out under certain circumstances by vessels flying the flag of Portugal in the waters falling under the sovereignty of within the jurisdiction of Spain and covered by ICES and the Fishery Committee for the Eastern Central Atlantic (CECAF);

Whereas Article 349 of the Act of Accession establishes certain fishing possibilities under certain conditions for vessels flying the flag of Portugal in the waters falling under the sovereignty or within the jurisdiction of Member States, with the exception of Spain and Portugal, and covered by ICES;

Whereas Article 352 of the Act of Accession establishes the activities which may be carried out under certain conditions by vessels flying the flag of Spain and listed and/or registered in a port situated in the territory to which the common fisheries policy applies in the waters falling under the sovereignty or within the jurisdiction of Portugal and covered by ICES and CECAF;

Whereas the stocks of certain species, termed for the purpose of this Regulation 'overlapping stocks', are distributed throughout several zones; whereas the waters in these zones fall under the sovereignty or within the jurisdiction of several Member States; whereas, for vessels flying the flag of Spain, Article 161 of the Act of Accession does not provide any catch possibilities for certain overlapping stocks in the waters under the sovereignty or within the jurisdiction of France and Article 352 does not provide any catch possibilities for certain overlapping stocks in the waters under the sovereignty or within the jurisdiction of Portugal; whereas Article 165 does not provide any catch possibilities for certain overlapping stocks for vessels flying the flag of Portugal in the waters under the sovereignty or within the jurisdiction of Spain; whereas provision should therefore be made under which catches from overlapping stocks by a vessel flying the flag of, and fishing in the waters falling under the sovereignty or within the jurisdiction of the same Member State, may be retained on board, subject to the povisions of this Regulation;

Whereas the provisional total admissible catches for 1986 and the conditions under which they may be fished will take effect as from 1 January 1986; whereas the proximity of that date means that provision must be made for an initial limited period of application to enable the Council, before the end of that period, to confirm the decisions taken;

Whereas, pursuant to Article 2 (3) of the Treaty of Accession of Spain and Portugal the institutions of the Community may adopt before accession the measures referred to in Articles 161, 164, 165, 349 and 352 of the Act, these measures entering into force subject to and on the date of entry into force of the said Treaty,

HAD ADOPTED THIS REGULATION:

Article 1

Regulation (EEC) No 3721/85 [1] is hereby amended as follows:

1. The following subparagraph is added to Article 1:

'For the purposes of this Regulation, the waters under the sovereignty or within the jurisdiction of Portugal in the region of the Azores are exluded from the geographical region Azores (ICES sub-area X) and the waters under the sovereignty or within the jurisdiction of Portugal in the region of Madeira are excluded from the geographical region Moroccan coast (CECAF Division 34.1.1 (EC Zone)).'

2. Annex I is amended as follows:

(a) for each of the species listed in column 1 of Annex I to this Regulation, the zone listed in column 2 is replaced with the zone listed in column 3;

(b) the data under the columns entitled 'TAC 1986 (in tonnes)' and 'Share available to the Community for 1986 (in tonnes)'are replaced with those in columns 4 and 5 of Annex I to this Regulation, for the corresponding species and zones;

(c) the content of Annex II to this Regulation is added.

3. Annex II is amended as follows:

(a) the data for the species and zones listed in columns 1 and 2 of Annex I to this Regulation are replaced with those contained in Annex III to this Regulation;

(b) the content of Annex IV to this Regulation is added.

Article 2

This Regulation shall enter into force on 1 January 1986, subject to the entry into force of the Treaty of accession of Spain and Portugal.

It shall apply until 25 January 1986, subject to review by the Council before that date.

This Regulation shall be binding in its entirety and directly applicable in all Members States.

Done at Brussels, 31 December 1985.

For the Council

The President

R. STEICHEN
