COMMISSION REGULATION (EEC) No 583/85

of 6 March 1985

amending Regulation (EEC) No 2793/77 on detailed rules of application for granting special aid for skimmed milk for use as feed for animals other than young calves

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 804/68 of 27 June 1968 on the common organization of the market in milk and milk products (1), as last amended by Regulation (EEC) No 1557/84 (2), and in particular Article 10 (3) thereof,

Whereas Commission Regulation (EEC) No 2793/77 (3), as last amended by Regulation (EEC) No 3345/84 (4), fixes the level of special aid for skimmed milk and skimmed-milk powder for use as feed for animals other than young calves and the maximum selling price to be applied by dairies ; whereas the situation on the market has developed in such a way that there is clear need to adapt the amounts of aid and the maximum selling price ;

Whereas the implementation of a system to regulate production of milk and milk products by the application of the additional levy laid down in Article 5c of Regulation (EEC) No 804/68 should contribute in the near future to a significant reduction of the imbalance observed in this sector ; whereas, moreover, the budgetary costs of the special aid arrangements under Regulation (EEC) No 2793/77 are high ; whereas, therefore, in respecting the obligation to publish an appropriate notice within the meaning of Article 1 (5), the maintenance of these arrangements should no longer be guaranteed after the 1985/86 and 1986/87 marketing years ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION :
