THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 43 thereof,

Having regard to Council Regulation (EEC) No 170/83 of 25 January 1983 establishing a Community system for the conservation and management of fishery resources (1), and in particular Article 11 thereof,

Having regard to the proposals from the Commission,

Having regard to the opinion of the European Parliament (2),

Whereas the Council adopted on 19 December 1984 the following Regulations:

Whereas the Council had initially limited the term of validity of these Regulations to the period 1 to 20 January 1985; whereas these Regulations concern measures which, as a general rule, are intended to regulate fishing throughout all of 1985; whereas it is therefore necessary to extend their validity until 31 December 1985,
