COMMISSION REGULATION (EEC) No 1204/86

of 24 April 1986

amending, for the second time Regulation (EEC) No 585/86 laying down the level of the accession compensatory amounts for milk and milk products in trade with Spain

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 466/86 of 25 February 1986 determining the general rules for the system of accession compensatory amounts for milk and milk products on account of the accession of Spain (1), and in particular Article 6 thereof,

Whereas Commission Regulation (EEC) No 585/86 (2), as amended by Regulation (EEC) No 1015/86 (3), fixed the level of the accession compensatory amounts for milk and milk products in trade with Spain; whereas a single compensatory amount was fixed for processed cheese; whereas it has become apparant that where such cheese has been manufactured using Emmentaler, Gruyère and Appenzell as a raw material and possibly Glarus as an addition, the accession compensatory amount must be based on the compensatory amount fixed for these cheeses when used as raw materials; whereas the Annex to Regulation (EEC) No 585/86 should be amended accordingly;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:
