COMMISSION REGULATION (EEC) No 1252/86
of 29 April 1986
fixing the export refunds on eggs

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2771/75 of 29 October 1975 on the common organization of the market in eggs [1], as last amended by Regulation (EEC) No 3768/85 [2], and in particular the first sentence of the fifth subparagraph of Article 9 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 9 of Regulation (EEC) No 2771/75 provides that the difference between prices on the world market for the products listed in Article 1 (1) of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Council Regulation (EEC) No 2774/75 of 29 October 1975 [3] lays down general rules for granting export refunds and criteria for fixing the amount of such refunds;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

— in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the corrective factor provided for in the last paragraph of Article 3 (1) of Regulation (EEC) No 1676/85 [4];
— for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent and the aforesaid coefficient;

Whereas it follows from applying these rules and criteria to the present situation on the market in eggs that the refund should be fixed at an amount which would permit Community participation in world trade and would also take account of the nature of these exports and their importance at the present time;

Whereas Commission Regulation (EEC) No 633/86 of 28 February 1986 laying down specific rules on export refunds in the egg sector following the accession of Portugal and amending Regulation (EEC) No 188/86 [5] established the principle that no Community refund should be granted on egg products originating in Portugal;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Poultrymeat and Eggs,

HAS ADOPTED THIS REGULATION:

Article 1

1. The list of products for which, when they are exported, the export refund referred to in Article 9 of Regulation (EEC) No 2771/75 is granted, and the amount of that refund shall be as shown in the Annex hereto.

2. The refund referred to in paragraph 1 shall not be granted in respect of exports to Portugal from 1 March 1986.

3. The refund referred to in paragraph 1 shall not be granted in respect of exports of products originating in Portugal.

Article 2

This Regulation shall enter into force on 1 May 1986.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 29 April 1986.

For the Commission
Frans ANDRIESSEN
Vice-President
