COMMISSION REGULATION (EEC) No 1303/86

of 30 April 1986

on transitional measures concerning the application of certain monetary compensatory amounts

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Commission Regulation (EEC) No 3156/85 of 11 November 1985 on transitional measures concerning the application of certain monetary compensatory amounts in the trade of certain Member States [1], and in particular Article 11 thereof,

Whereas Regulation (EEC) No 3156/85 laid down a framework for measures, intended to prevent artificial traffic at the time of changes in the monetary compensatory amounts;

Whereas Council Regulation (EEC) No 1245/86 [2] suspended, with effect from 1 May to 1 June 1986 the application of monetary compensatory amounts for pigmeat and eggs and poultry meat which had arisen as a result of the monetary events of 6/7 April 1986;

Whereas it is likely that on this occasion speculative traffic in certain products will occur, and possibly deflect trade;

Whereas in order to prevent such deflections it should be specified that the monetary compensatory amounts for these products applicable before the fixing of these new rates shall remain applicable for a limited period beyond that date;

Whereas the measures provided for in this Regulation are in accordance with the opinion of all the relevant management committees

HAS ADOPTED THIS REGULATION:
