COMMISSION REGULATION (EEC) No 1304/86

of 30 April 1986

altering the negative monetary compensatory amounts by suspending part of them for pigmeat and eggs and poultry products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1677/85 of 11 June 1985 on monetary compensatory amounts in agriculture (1), as amended by Regulation (EEC) No 1013/86 (2), and in particular Article 12 thereof,

Having regard to Council Regulation (EEC) No 1678/85 of 11 June 1985 fixing the conversion rates to be applied in agriculture (3), as last amended by Regulation (EEC) No 505/86 (4),

Having regard to Council Regulation (EEC) No 1245/86 of 28 April 1986 suspending the application of part of the monetary compensatory amounts applicable in the pigmeat and eggs and poultry sectors (5), and in particular Article 1 thereof,

Having regard to Commission Regulation (EEC) No 3155/85 of 11 November 1985 providing for the advance fixing of monetary compensatory amounts (6), as last amended by Regulation (EEC) No 1002/86 (7),

Whereas the monetary compensatory amounts introduced by Regulation (EEC) No 1677/85 were fixed from 9 April 1986 by Commission Regulation (EEC) No 1057/86 (8), as last amended by Regulation (EEC) No 1215/86 (9);

Whereas Regulation (EEC) No 1245/86 provides for the suspension until 1 June 1986, as regards the negative MCAs for products in the pigmeat and eggs and poultry sectors, of the application of that part of the MCAs introduced following the realignment of currencies on 6 April 1986; whereas the part of the MCAs introduced following the realignment may be determined as a flat rate by comparing the actual monetary gaps recorded on the eve of the realignment of currencies and those used at the time of the Council Decision; whereas the result should be determined in the form of an *ad hoc* abatement to be observed during the period of application of the above-mentioned suspension;

Whereas the suspension should be implemented with immediate effect; whereas, for this purpose, Regulation (EEC) No 1057/86 should be amended;

Whereas the measures provided for in this Regulation are in accordance with the opinion of all the relevant management committees,

HAS ADOPTED THIS REGULATION:

(1) Hams, fore-ends, shoulders or loins and parts thereof (excluding the jowl, traded separately).

(2) Other products than those falling under footnote (1).

(3) The monetary compensatory amounts shall not apply to products presented in the form of meal or powder, whether or not in compounded form.

(4) If composite food preparations (including prepared dishes) containing sausages are classified under tariff heading No 16.01 because of their composition, the monetary compensatory amount is applied only on the net weight of the sausages, the meat and the offal, including fats of any kind or origin, which make part of these preparations.

(5) The grant of monetary compensatory amounts in respect of these products is subject to compliance with the conditions for the grant of refunds laid down in Regulation (EEC) No 171/78. The exporter or importer, at the time of the conclusion of customs formalities concerning the export or the import in a Member State paying the monetary compensatory amount, shall declare in writing that the products in question fulfil these conditions.

(6) Products which have not been subjected to any heat treatment or which have been subjected to a heat treatment insufficient to ensure the coagulation of meat proteins in the whole of the product and which therefore show traces of a pinkish liquid on the cut surface when the product is cut along a line passing through its thickest part.

(7) Other products than those falling under (6).

(a) The monetary compensatory amounts applicable to sausages in containers which also contain preservative liquid are based on the net weight, i.e. after the deduction of the weight of the liquid.
