COMMISSION REGULATION (EEC) No 1505/86

of 16 May 1986

laying down certain detailed rules for the application of Council Regulation (EEC) No 1388/86 on the suspension of the import of certain agricultural products originating in certain third countries

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1388/86 of 12 May 1986 on the suspension of the import of certain agricultural products originating in certain third countries (1), and in particular Article 4 thereof,

Whereas Regulation (EEC) No 1388/86 foresees the suspension of the importation of certain products which have been contaminated by the nuclear fall-out following the accident on 26 April 1986 at the Chernobyl nuclear centre ; whereas the terms of Article 4 of the abovementioned Regulation lay down the modalities of application, including particularly the addition to or the deletion from the list of products concerned as well as the conditions which may be applied to the importations, which may be adopted ;

Whereas for certain products the risk of contamination can be excluded because of their normal period of harvesting ; whereas it appears necessary to specify which products are covered by the suspension of importation and to replace, for the sake of clarity, the list shown at the Annex to Regulation (EEC) No 1388/86 ; whereas it appears necessary, as well, to specify certain modalities relating to the importation of the products concerned ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of all the Management Committees concerned,

HAS ADOPTED THIS REGULATION :

Article 1

For the purposes of Article 1 of Regulation (EEC) No 1388/86, 'importation' means the placing in temporary storage or under any customs regime.

Article 2
