COUNCIL REGULATION (EEC) No 1585/86

of 23 May 1986

fixing the monthly price increases for cereals, wheat and rye flour and wheat groats and meal for the 1986/87 marketing year

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals (1), as last amended by Regulation (EEC) No 1579/86 (2), and in particular Article 6 (2) thereof,

Having regard to the proposal from the Commission (3),

Whereas, when the number and amount of the monthly increases and the first month during which these are to apply are fixed, account should be taken of the storage costs and financing charges for storing cereals in the Community and of the need to ensure that the disposal of stocks of cereals conforms to market requirements; whereas experience has shown that the level of the monthly increases for cereals other than durum wheat can encourage operators to hold on to cereals; whereas, so that stocks can be disposed of more smoothly, these increases should be reduced somewhat for the other cereals;

Whereas, as regards the threshold prices for maize and sorghum, the monthly increases for July, August and September do not apply, in keeping with the provisions of the last subparagraph of Article 5 (1) of Regulation (EEC) No 2727/75,

HAS ADOPTED THIS REGULATION:
