COMMISSION REGULATION (EEC) No 2031/86

of 30 June 1986

fixing for the 1986/87 marketing year the minimum price to be paid to producers for peaches and the amount of production aid for peaches in syrup

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Greece,

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Council Regulation (EEC) No 426/86 of 24 February 1986 on the common organization of the market in products processed from fruit and vegetables (1), as amended by Regulation (EEC) No 1838/86 (2), and in particular Articles 4 (4) and 5 (5) thereof,

Whereas Council Regulation (EEC) No 1277/84 of 8 May 1984 laying down general rules for the system of production aid for processed fruit and vegetables (3) contains provisions as to the methods for determining the production aid;

Whereas, under Article 4 (1) of Regulation (EEC) No 426/86, the minimum price to be paid to producers is to be determined on the basis of, firstly, the minimum price applying during the previous marketing year, secondly, the movment of basic prices in the fruit and vegetable sector, and, thirdly, the need to ensure the normal marketing of fresh products for the various uses;

Whereas, as regards Greece, pursuant to Article 103 of the Act of Accession of Greece and until the first move towards alignment of prices, the minimum price to be paid to Greek producers is to be established on the basis of prices paid in Greece to national producers, over the reference period defined in Article 1 of Council Regulation (EEC) No 41/81 (4); whereas that price must be aligned with the level of the common prices pursuant to Article 59 of the said Act;

Whereas Article 5 of Regulation (EEC) No 426/86 lays down the criteria for fixing the amount of production aid; whereas account must, in particular, be taken of the aid fixed for the previous marketing year adjusted to take account of changes in the minimum price to be paid to producers, the non-member country price and, if necessary, the pattern of processing cost assessed on a flat-rate basis; whereas the volume of imports makes the non-member country price unrepresentative; whereas the production aid must be calculated by reference to a price based on the Community market price;

Whereas, as regards Greece, the said Article 103 and Council Regulation (EEC) No 990/84 (5) lays down the criteria for fixing the amount of production aid;

Whereas the minimum price to be paid to producers in Spain and Portugal and the production aid for the products obtained are to be determined as provided for in Articles 118 and 304 of the Act of Accession of Spain and Portugal; whereas the representative period for determining the minimum price is laid down in Council Regulation (EEC) No 461/86 of 25 February 1986 laying down, on account of the accesson of Spain and Portugal, rules on the production aid system in respect of processed fruit and vegetables (6); whereas the application of these provisions leads to the result that the minimum price and the aid to be fixed for Portugal are the same as those to be fixed for the other Member States, other than Spain;

Whereas Article 118 (6) of the Act of Accession of Spain and Portugal provides that during the first four marketing years following accession, the grant of production aid in Spain for peaches in syrup is to be limited to a quantity of 80 000 tonnes, expressed in net weight; whereas to ensure equitable allocation of raw material to each of the production regions of the Community, it should be laid down that peaches grown in a specific region only attract production aid when processed in that region;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Products Processed from Fruit and Vegetables,

HAS ADOPTED THIS REGULATION:
