COMMISSION REGULATION (EEC) No 2036/86

of 30 June 1986

adapting the accession compensatory amounts fixed in the sugar sector by Regulation (EEC) No 581/86

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Council Regulation (EEC) No 469/86 of 25 February 1986 laying down general rules for the system of accession compensatory amounts in the sugar sector (1), and in particular Article 7 (1) thereof,

Whereas Article 238 of the Act of Accession of Spain and Portugal provides for an alignment of the Portuguese prices on the common prices in stages owing to their level in Portugal; whereas this alignment concerns the intervention price for white sugar applicable in that Member State; whereas this price has been fixed for the marketing year beginning on 1 July 1986 by Council Regulation (EEC) No 1453/86 of 13 May 1986, fixing for the 1986/87 marketing year, the derived intervention prices for white sugar, the intervention price for raw sugar, the minimum prices for A and B beet, the threshold prices, the amount of compensation for storage costs and the prices to be applied in Spain and Portugal (2);

Whereas the alignment on 1 July 1986 of the said prices makes it necessary to adapt the accession compensatory amounts applicable to trade with Portugal; whereas to this end and for reasons of clarity it is appropriate to provide for a new Annex, showing the adapted compensatory amounts, to Commission Regulation (EEC) No 581/86 of 28 February 1986, laying down detailed rules for the application of the system of accession compensatory amounts and fixing these amounts in the sugar sector (3);

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

Article 1

The Annex to Regulation (EEC) No 581/86 is replaced by the following Annex:

(1) OJ No L 53, 1. 3. 1986, p. 32.
(2) OJ No L 133, 21. 5. 1986, p. 6.
(3) OJ No L 57, 1. 3. 1986, p. 27.
