COMMISSION REGULATION (EEC) No 2088/86

of 30 June 1986

altering the monetary compensatory amounts

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Council Regulation (EEC) No 1677/85 of 11 June 1985 on monetary compensatory amounts in agriculture (1), as amended by Regulation (EEC) No 2062/86 (2), and in particular Articles 9 (2) and 12 thereof,

Having regard to Council Regulation (EEC) No 1678/85 of 11 June 1985 fixing the conversion rates to be applied in agriculture (3), as last amended by Regulation (EEC) No 2063/86 (4),

Having regard to Commission Regulation (EEC) No 3155/85 of 11 November 1985 providing for the advance fixing of monetary compensatory amounts (5), as last amended by Regulation (EEC) No 1002/86 (6),

Whereas the monetary compensatory amounts introduced by Regulation (EEC) No 1677/85 were fixed by Commission Regulation (EEC) No 1057/86 (7), as last amended by Regulation (EEC) No 1908/86 (8);

Whereas the 1986/87 marketing year for cereals and sugar begins on 1 July 1986; whereas, from that date, the new prices and the new amount of the levy collected under the arrangements for compensating the storage costs for sugar have to be used for calculating the monetary compensatory amounts applicable to products in these sectors; whereas, from that date, these cereal and sugar prices also have to be used for calculating the monetary compensatory amounts applicable to certain products and goods which fall within the milk and milk products, eggs, poultrymeat and albumin sectors, or which come within the scope of Regulation (EEC) No 3033/80 (9); whereas it is also necessary to take into account that, from 1 July 1986, new agricultural conversion rates fixed by Regulation (EEC) No 1678/85 apply in the cereals, sugar, eggs, poultry, albumin and pigmeat sectors;

Whereas Article 6 (1) of Commission Regulation (EEC) No 3155/85 provides that monetary compensatory amounts fixed in advance must be adjusted if a new representarive rate comes into effect during the period of validity of the certificate; whereas this new rate must have been decided on before the application for the certificate was lodged; whereas this is the situation with regard to the cereals and sugar sectors in Greece, Spain, France, Ireland, Italy and the United Kingdom and with regard to the sugar sector in Portugal;

Whereas, pursuant to Article 5 (5) of Regulation (EEC) No 1677/85, monetary compensatory amounts in the pigmeat sector are fixed on the basis of a price equal to 35 % of the basic price; whereas, in respect of those Member States applying positive monetary compensatory amounts and whose currencies are maintained, as between themselves, within a spread at any given time of a maximum of 2,25 %, the monetary compensatory amounts to be applied from 1 July 1986 are equal to those applicable on 30 June 1986, altered according to the prices valid from 1 July 1986; whereas new agricultural conversion rates apply in this sector as from that date in respect of Member States with depreciated currencies; whereas these changes should be taken into account in fixing the monetary compensatory amounts applicable to the sector in question from that date;

Whereas Article 2 of Regulation (EEC) No 2062/86 provides that, by way of derogation from the provisions of Article 5 of Regulation (EEC) No 1677/85, the monetary gap for products falling within the eggs, poultry, ovalbumin and lactalbumin sectors, during the period from 1 July to 30 September 1986, is to be reduced by 4,8 points for France and 4,5 points for the United Kingdom;

(1) OJ No L 164, 24. 6. 1985, p. 6.
(2) OJ No L 176, 1. 7. 1986, p. 15.
(3) OJ No L 164, 24. 6. 1985, p. 11.
(4) OJ No L 176, 1. 7. 1986, p. 17.
(5) OJ No L 310, 21. 11. 1985, p. 22.
(6) OJ No L 93, 8. 4. 1986, p. 8.
(7) OJ No L 98, 12. 4. 1986, p. 1.
(8) OJ No L 166, 23. 6. 1986, p. 1.
(9) OJ No L 323, 29. 11. 1980, p. 1.

Whereas, in the case of currencies which are not maintained within the 2,25 % spot margin of fluctuation under the European monetary system, and pursuant to Article 2 (1) of Commission Regulation (EEC) No 3153/85 of 11 November 1985 laying down detailed rules for the calculation of monetary compensatory amounts [1], the monetary compensatory amounts for the cereals, sugar, eggs, poultry, ovalbumin and lactalbumin sectors and for the pigmeat sector are to be calculated on the basis of the exchange rates recorded during the reference period 18 to 24 June 1986;

Whereas, in the case of Germany, Spain, France, Italy, the Netherlands and the United Kingdom, for which different representative rates apply in the cereals and poultry sectors, the representative rates fixed for these sectors should be taken into account when fixing the monetary coefficient referred to in Article 5 of Regulation (EEC) No 3153/85 for the eggs, poultrymeat and albumin sectors; whereas account should also be taken of the fact that flat-rate reductions apply in France and the United Kingdom;

Whereas, for the abovementioned reasons, Regulation (EEC) No 1057/86 should be amended with effect from 1 July 1986;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the relevant management committees,

HAS ADOPTED THIS REGULATION:

Article 1

Regulation (EEC) No 1057/86 is hereby amended as follows:

1. Parts 1, 2, 4, 7, 8 and subheading 23.07 B of Part 5 of Annex I are replaced by the Parts set out in Annex I to this Regulation.

2. Annexes II and IV are replaced by Annexes II and IV to this Regulation.

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities.*

It shall apply with effect from 1 July 1986.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 30 June 1986.

Notes

(1) Millet.

(2) Grain sorghum.

(3) Applicable to groats and meal of maize imported from non-member countries.

(4) Applicable to intra-Community trade in groats and meal of maize intended for the brewing industry (cf. Regulation (EEC) No 1570/78 (OJ No L 185, 7. 7. 1978, p. 22)).

(5) The monetary compensatory amount shall apply to products whose starch content is not less than 85 % by weight. For products with a starch content lower than 85 % by weight, this compensatory amount shall be multiplied by a coefficient calculated by means of the following formula:

$$C = \frac{a}{1\,000} \times 1{,}176$$

(C = coefficient; a = content by weight of starch, expressed as dry matter, per 1 000 kg of the product).

When completing the customs formalities, the applicant must state in the declaration provided for this purpose the content by weight of starch, expressed as dry matter, per 1 000 kg of the product.

(6) The monetary compensatory amount shall apply to the product whose starch content is not less than 78 % by weight. For the product with a starch content lower than 78 % by weight, this compensatory amount shall be multiplied by a coefficient calculated by means of the following formula:

$$C = \frac{a}{1\,000} \times 1{,}282$$

(C = coefficient; a = content by weight of starch, expressed as dry matter, per 1 000 kg of the product).

When completing the customs formalities, the applicant must state in the declaration provided for this purpose the content by weight of starch, expressed as dry matter, per 1 000 kg of the product.

(1) Hams, fore-ends, shoulders or loins and parts thereof (excluding the jowl, traded separately).

(2) Other products than those falling under footnote (1).

(3) The monetary compensatory amounts shall not apply to products presented in the form of meal or powder, whether or not in compounded form.

(4) If composite food preparations (including prepared dishes) containing sausages are classified under tariff heading No 16.01 because of their composition, the monetary compensatory amount is applied only on the net weight of the sausages, the meat and the offal, including fats of any kind or origin, which make part of these preparations.

(5) The grant of monetary compensatory amounts in respect of these products is subject to compliance with the conditions for the grant of refunds laid down in Regulation (EEC) No 171/78. The exporter or importer, at the time of the conclusion of customs formalities concerning the export or the import in a Member State paying the monetary compensatory amount, shall declare in writing that the products in question fulfil these conditions.

(6) Products which have not been subjected to any heat treatment or which have been subjected to a heat treatment insufficient to ensure the coagulation of meat proteins in the whole of the product and which therefore show traces of a pinkish liquid on the cut surface when the product is cut along a line passing through its thickest part.

(7) Other products than those falling under (6).

(a) The monetary compensatory amounts applicable to sausages in containers which also contain preservative liquid are based on the net weight, i.e. after the deduction of the weight of the liquid.

(1) In the case of goods not containing added whey, lactose, casein or caseinates the monetary compensatory amount shall be calculated on the basis of the quantity of sugar and/or of skimmed-milk contained in such goods. However, where the monetary compensatory amount resulting from this calculation is greater than that fixed above, the latter shall be applied.

(2) Amounts applicable as appropriate on goods falling within subheadings 21.07 G VI to IX.

(4) At the time of the completion of customs formalities, the party concerned shall be required to state in the declaration provided for this purpose:

— the actual content by weight of skimmed-milk powder contained in the goods,

— the added whey and/or lactose and/or casein and/or caseinates content and the lactose content of the added whey,

per 100 kg of finished product.

The compensatory amount is calculated for the actual quantity of skimmed-milk powder contained in the goods.

(5) Amount to be calculated on the basis of the actual quantities of any cereals or products resulting from their processing, sugar, milk or milk products, contained in the goods. Apply to these quantities the compensatory amount applied when such products are traded as such.

(6) These amounts shall not apply to goods in immediate packings of a net capacity of 1 kg or less.

(7) For goods falling within this subheading, the monetary compensatory amount shall be applied only according to the weight of the macaroni, spaghetti and similar products.

(8) If the product contains added whey and/or lactose and/or casein and/or caseinates no compensatory amount shall be granted for the milk products incorporated; in such cases the compensatory amount is to be calculated on the quantities of common wheat and sugar indicated in the Annex to Regulation (EEC) No 3034/80, less 10 %.

When completing:

— customs export formalities carried out in a Member State the currency of which has appreciated,

— customs import formalities carried out in a Member State the currency of which has depreciated,

— customs export formalities carried out in a Member State making use of the option provided in Article 10 of Regulation (EEC) No 1677/85,

the applicant shall state on the declaration provided for this purpose whether or not whey and/or lactose and/or casein and/or caseinates have been added to the product.

However, if compensatory amounts have to be charged, the amounts fixed shall apply normally.

(9) The first and second parts of note (8) shall not apply to goods in immediate packings of a net capacity of 1 kg or less.

(10) Preparations for the manufacture of chocolate or chocolate milk crumb, containing more than 6,5 % but less than 11 % by weight of milkfats, more than 6,5 % but less than 15 % by weight of cocoa, and more than 50 % but less than 60 % by weight of sucrose (including invert sugar expressed as sucrose), presented in irregular pieces.

(11) Amount applicable to chocolate milk crumb as defined in note (10) above, if it contains reduced-price butter under the Regulations given in note (4) to Part 5 of this Annex.

(12) Amount applicable to products other than those falling under notes (10), (11) above and (13), (15) below.

(13) Amount applicable to products other than those falling under note (15) below, if they contain reduced-price butter under the Regulations given in note (4) to Part 5 of this Annex.

(15) Amount applicable to ice-cream and to preparations for making ice-cream and similar edible products called 'ice-mix', if they contain reduced-price butter under the Regulations given in note (4) to Part 5 of this Annex.
