of 30 July 1986

fixing, for August 1986, the levy applicable in Spain to products subject to the price control system

Whereas Article 14 of Regulation (EEC) No 1183/86 provides that, for the period from 1 March to 31 December 1986, a levy is to be applied to imports into Spain of products subject to the price control system and to soya oil produced from imported beans and released for consumption ; whereas that levy is to be fixed on the basis of the difference between, on the one hand, the average price of soya oil in Spain during the 1984/85 marketing year and, on the other hand, the price of that oil on the world market, plus the duty charged in Spain on imports from third countries ;

Whereas that levy should be as fixed hereinafter,
