COMMISSION REGULATION (EEC) No 2763/86

of 5 September 1986

amending Regulation (EEC) No 210/69 on communications by the Member States relating to applications for import and export licences

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 804/68 of 27 June 1968 on the common organization of the market in milk and milk products (1), as last amended by Regulation (EEC) No 1335/86 (2), and in particular Article 28 thereof,

Whereas the second subparagraph of Article 5a of Commission Regulation (EEC) No 210/69 of 31 January 1969 on communications between Member States and the Commission with regard to milk and milk products (3), as last amended by Regulation (EEC) No 1768/82 (4), states that the Member States shall notify the Commission by telex by Friday of each week at the latest of the quantities for which import licences were issued during the previous week; whereas, given the relatively small quantities in respect of which import licences are applied for, that communication may be made monthly;

Whereas Article 6 (1) of Regulation (EEC) No 210/69 lays down that Member States are to notify the Commission by telex each working day before 6 p.m. of the quantities in respect of which export licences have been applied for on that day; whereas, however, this communication need specify the destination of the products only if they fall within subheading 04.02 A II b) or heading No 04.03 of the Common Customs Tariff;

Whereas, in order to take account of the development of cheese exports to non-member countries, Member States should communicate the destinations of cheeses;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Milk and Milk Products,
