fixing the quantities of pigmeat to be offered for sale by invitation to tender and at a fixed price in February 1986 pursuant to Article 2 of Regulation (EEC) No 2858/85 and publishing the results of the invitation to tender of 28 January 1986

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2759/75 of 29 October 1975 on the common organization of the market in pigmeat (1), as last amended by Regulation (EEC) No 3768/85 (2), and in particular Article 20 thereof,

Whereas Article 2 (2) of Commission Regulation (EEC) No 2858/85 of 11 October 1985 on the sale of pigmeat held by the Belgian intervention agency pursuant to Regulations (EEC) No 772/85, (EEC) No 978/85 and (EEC) No 1477/85 (3), as last amended by Regulation (EEC) No 3698/85 (4), provides that the quantities of meat to be sold in the monthly invitation to tender are to be determined in accordance with the procedure laid down in Article 24 of Regulation (EEC) No 2759/75; whereas the quantities for the invitation to tender of 25 February 1986 need to be fixed in accordance with the availability of meat and the current state of the market for pigmeat;

Whereas Article 8 (1) of Regulation (EEC) No 2858/85 further provides that the quantities not sold in a given invitation to tender are to be sold at a fixed price in accordance with the terms set out therein; whereas in order to accelerate the sale of this meat the conditions of Article 8 (1) should be relaxed; whereas Article 8 (2) provides that the quantities to be thus sold are to be published in the *Official Journal of the European Communities* at the same time as the results of the invitation to tender relating thereto;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Pigmeat,

HAS ADOPTED THIS REGULATION:
