Whereas, in order to ensure compliance with the provisions relating to the quantitative limitations on catches of stocks subject to quotas, it is necessary for the Commission to fix the date by which catches made by vessels flying the flag of a Member State are deemed to have exhausted the quota allocated;

Whereas, according to the information communicated to the Commission, catches of cod and 'other species' in the waters of ICES divisions I and II (Norwegian waters north of 62° N) by vessels flying the flag of France or registered in France have reached the quotas allocated for 1986,
