COMMISSION REGULATION (EEC) No 3696/86

of 3 December 1986

extending the period of validity of Regulation (EEC) No 2826/77 introducing a Community transit declaration form for use in automatic or electronic data-processing systems

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 222/77 of 13 December 1976 on Community transit [1], as last amended by Regulation (EEC) No 1901/85 [2], and in particular Article 57 thereof,

Whereas Commission Regulation (EEC) No 2826/77 [3], as last amended by Regulation (EEC) No 3026/84 [4], is applicable until 31 December 1986;

Whereas experience shows that there is a need to provide that the form introduced by Regulation (EEC) No 2826/77 may continue to be used after that date;

Whereas, in addition, the present stage of evolution of the automatic and electronic data-processing systems being used in the customs field is such that no revision of the form is at present necessary;

Whereas the period of validity of Regulation (EEC) No 2826/77 should therefore be extended for one year;

Whereas, however, such extension should not prejudice the implementation of the rules relating to the introduction of the single document form in trade within the Community;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Committee on the Movement of Goods,

HAS ADOPTED THIS REGULATION:

Article 1

In the second paragraph of Article 5 of Regulation (EEC) No 2826/77, '31 December 1986' is hereby replaced by '31 December 1987'.

Article 2

This Regulation shall enter into force on 1 January 1987.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 3 December 1986.

For the Commission

COCKFIELD

Vice-President
