COUNCIL REGULATION (EEC) No 3745/86

of 28 November 1986

opening, allocating and providing for the administration of a Community tariff quota for certain handwoven fabrics, pile and chenille, falling within heading Nos ex 50.09, ex 55.07, ex 55.09 and ex 58.04 of the Common Customs Tariff (1987)

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 113 thereof,

Having regard to the proposal from the Commission,

Whereas, as regards handwoven fabrics of silk, waste silk other than noil and cotton, falling within heading Nos ex 50.09 and ex 55.09, the Community has declared its readiness to open annual duty-free Communtiy tariff quotas up to a value (customs value) which, for 1986, amounted to 2 316 000 ECU for silk fabrics and to 2 069 000 ECU for cotton fabrics;

Whereas products may be admitted under the Community tariff quota only on production of a certificate of manufacture recognized by the competent authorities of the European Economic Community, such products being stamped in a manner approved by such authorities at the beginning and end of each item and carried direct from the country of manufacture to the Community; whereas it is, accordingly, appropriate to open the tariff quotas in question with effect from 1 January 1987;

Whereas equal and continuous access to the quotas should be ensured for all Community importers and the rate of levy for the quotas should be applied consistently to all imports until the quotas are used up; whereas, in the light of the principles outlined above, a Community tariff quota arrangement based on an allocation between the Member States would seem to preserve the Community nature of the said quotas; whereas, to represent as closely as possible the actual development of the market in the said goods, the allocation should follow proportionately the requirements calculated both on the basis of statistics of imports from third countries during a representative reference period and on the basis of the economic prospects for the tariff year in question;

Whereas, however, in the statistical nomenclatures there is no specific classification for the handwoven fabrics concerned; whereas, in these circumstances, it has been impossible to collect sufficiently precise and representative statistics; whereas the quantities charged against the shares allocated to the Member States for the Community tariff quotas opened for certain of these fabrics for 1983, 1984 and 1985 were as follows:

1. Woven fabrics of silk or of waste silk other than noil (heading No ex 50.09 of the Common Customs Tariff):

Member States	1983		1984		1985	
	ECU	%	ECU	%	ECU	%
Benelux	14 237	0,77	31 779	1,82	12 681	0,63
Denmark	23 713	1,29	22 891	1,31	41 784	2,09
Germany	1 159 087	62,84	1 095 862	62,78	1 269 934	63,44
Greece	0	0	0	0	0	0
France	482 029	26,14	306 785	17,58	391 287	19,55
Ireland	0	0	0	0	0	0
Italy	20 984	1,14	130 300	7,47	128 370	6,41
United Kingdom	144 320	7,82	157 850	9,04	157 670	7,88

2. Woven fabrics of cotton (heading Nos ex 55.07, ex 55.09 and ex 58.04 of the Common Customs Tariff):

Member States	1983		1984		1985	
	ECU	%	ECU	%	ECU	%
Benelux	36 421	1,80	59 000	2,91	68 998	3,38
Denmark	164 083	8,12	138 001	6,81	267 999	13,12
Germany	583 047	28,87	263 192	12,98	325 655	15,94
Greece	0	0	0	0	0	0
France	764 400	37,85	1 068 000	52,69	852 600	41,74
Ireland	0	0	0	0	0	0
Italy	912	0,05	28 274	1,39	56 805	2,78
United Kingdom	470 600	23,31	470 600	23,22	470 600	23,04

Whereas, in view of the variations in these figures, the latter cannot lead to a firm conclusion on the real requirements of each Member State referred to above for the tariff period under consideration; whereas neither can the new Member States' requirements be accurately determined; whereas, so that the Community tariff quotas in question may be allocated fairly among the Member States, these factors make it possible to express the initial percentage shares in the quota volume roughly as follows:

Member States	Silk goods (heading No (ex 50.09	Cotton goods (heading Nos ex 55.07, ex 55.09 and ex 58.04
Benelux	4,58	3,41
Denmark	4,58	8,72
Germany	41,86	13,05
Greece	3,17	0,82
Spain	2,16	1,30
France	22,88	37,17
Ireland	3,00	2,24
Italy	9,24	3,45
Portugal	0,84	0,09
United Kingdom	7,64	29,75

Whereas, to take account of future import trends for the goods under consideration, each quota volume should be divided into two successive amounts, the first being allocated among the Member States and the second held as a reserve to cover at a later date the requirements of Member States who have used up their initial shares; whereas, to give importers some degree of certainty, the first successive amount of each Community tariff quota should be fixed at a relatively high level, at approximately 51 % for silk goods and at approximately 76 % for cotton goods;

Whereas the initial shares may be used up fairly quickly; whereas, therefore, to avoid disruption of supplies, any Member State which has almost used up one of its initial shares should draw a supplementary share from the corresponding reserve; whereas this must be done by each Member State as each one of its supplementary shares is almost used up, and as many times as the reserve allows; whereas each initial and supplementary share must be valid until the end of the quota period; whereas this form of administration requires close collaboration between the Member States and the Commission must be in a position to follow the extent to which the tariff quotas have been used up and inform the Member States thereof;

Whereas, if at a given date in the quota period a Member State has a considerable quantity of one of its initial shares left over, it is essential that is should return a significant proportion thereof to the reserve to prevent a part of one or other of the Community quotas from remaining unused in one Member State while it could be used in others;

Whereas, since the Kingdom of Belgium, the Kingdom of the Netherlands and the Grand Duchy of Luxembourg are united within and jointly represented by the Benelux Economic Union, any operation relating to the administration of the quota shares allocated to that economic union may be carried out by any one of its members,

HAS ADOPTED THIS REGULATION:

Article 1

1. From 1 January to 31 December 1987, the Common Customs Tariff duties on the following products shall be suspended at the level and within the limit of Community tariff quotas as shown herewith:

Order No	CCT heading No	Description	Quota volume (in ECU)	Duty of tariff quota (in %)
09.0101	a) ex 50.09	Handwoven fabrics of silk, of noil or other waste silk	2 316 000	0
09.0103	b) ex 55.07	Handwoven cotton gauze	2 069 000	0
	ex 55.09	Other handwoven fabrics of cotton		
	ex 58.04	Handwoven pile fabrics and chenille fabrics (other than terry products of cotton falling within heading No 55.08 and fabrics falling within heading No 58.05) of cotton, woven on hand looms		

As regards these tariff quotas, Spain and Portugal shall apply the duties calculated in accordance with the relevant provisions laid down in the 1985 Act of Accession.

2. For the purposes of this Regulation:

(a) handwoven fabrics' means fabrics woven on looms moved exclusively by hand or foot;

(b) customs value' means the value as defined in the relevant Community rules.

3. Admission under these quotas shall, however, be granted only for fabrics, pile and chenille:

(a) accompanied by a certificate of manufacture recognized by the competent authorities of the European Economic Community and conforming to one of the examples in Annex I endorsed by one of the recognized authorities of the country of manufacture appearing in Annex II;

(b) bearing, at the beginning and end of each item, a stamp approved by the said authorities (1);

(c) carried direct from the country of manufacture to the European Economic Community.

4. In this respect, the following shall be considered to have been carried direct:

(a) goods which, in carriage, do not cross the territory of a non-member country of the European Communities. Goods temporarily held in power of non-member countries shall not be excluded from the definition of direct carriage provided that they are not transhipped there;

(b) goods which, in carriage, cross the territory of one or more non-member countries, of the European Communities or are transhipped in such a country, provided that they cross such territory while covered by a single transport document drawn up in the country of manufacture.

(1) It is agreed that this subparagraph shall not prevent a lead seal approved by the authorities from constituting performance of the terms of this subparagraph.

Article 2

1. A first successive amount of a value corresponding to 1 180 000 ECU for the products falling within heading No ex 50.09, and to 1 582 000 ECU for the products falling within heading Nos ex 55.07, ex 55.09 and ex 58.04, shall be allocated among the Member States; the respective shares of the Member States which, subject to Article 5, shall be valid from 1 January to 31 December 1987 shall correspond to the following values:

(a) for the products falling within heading No ex 50.09, referred to in Article 1 (1)

	(ECU)
Benelux	54 000
Denmark	54 000
Germany	494 000
Greece	37 400
Spain	25 500
France	270 000
Ireland	35 400
Italy	109 000
Portugal	10 500
United Kingdom	90 200

(b) for the products falling within heading Nos ex 55.07, ex 55.09 and ex 58.04, referred to in Article 1 (1):

	(ECU)
Benelux	54 000
Denmark	138 000
Germany	206 500
Greece	13 000
Spain	20 500
France	588 000
Ireland	35 400
Italy	54 500
Portugal	1 500
United Kingdom	470 600

2. The second successive amount of each of the quotas referred to in Article 1 (1) and corresponding to 1 136 000 and 487 000 ECU, respectively, shall constitute the reserve,

3. Regulations (EEC) No 2779/78 [1] and (EEC) No 289/84 [2] shall apply for the purposes of determining the equivalent value in national currencies of amounts expressed in ECU.

Article 3

1. If 90 % or more of one of a Member State's initial shares as specified in Article 2 (1), or of that share minus the portion returned to the reserve where Article 5 is applied, has been used up, that Member State shall without delay, by notifying the Commission, draw a second share equal to 15 % of its initial share, rounded up where necessary to the next unit, to the extent permitted by the amount of the reserve.

2. If, after one or other of its initial shares has been used up 90 % or more of the second share drawn by a Member State has been used up, that Member State shall, in accordance with the conditions imposed by paragraph 1, draw a third share, equal to 7,5 % of its initial share, rounded up where necessary to the next unit.

3. If, after one or other of its second shares has been used up, 90 % or more of the third share drawn by a Member State has been used up, that Member State shall, in accordance with the same conditions, draw a fourth share equal to the third.

This process shall continue to apply until the reserve is used up.

4. By way of derogation from paragraphs 1, 2 and 3, a Member State may draw shares lower than those fixed in those paragraphs if there are grounds for believing that those fixed may not be used up. It shall inform the Commission of its reasons for applying this paragraph.

Article 4

Supplementary shares drawn pursuant to Article 3 shall be valid until 31 December 1987.

Article 5

Member States shall return to the reserve, not later than 1 October 1987, the unused portion of their initial share which, on 15 September 1987, is in excess of 20 % of the initial amount. They may return a larger quantity if there are reasons to believe that such quantity might not be used.

Each Member State shall, not later than 1 October 1987, notify the Commission of the total quantities of the said goods imported up to and including 15 September 1987 and charged against the appropriate Community tariff quota, and any quantities of the initial shares returned to the corresponding reserves.

Article 6

The Commission shall keep an account of the shares opened by the Member States pursuant to Articles 2 and 3 and shall, as soon as it has been notified, inform each State of the extent to which the reserves have been used up.

It shall inform the Member States, not later than 5 October 1987, of the amounts still in reserve after amounts have been returned thereto pursuant to Article 5.

It shall ensure that the drawing which uses up a reserve is limited to the balance available and to this end shall specify the amount thereof to the Member State making the last drawing.

Article 7

1. The Member States shall take all measures necessary to ensure that supplementary shares drawn pursuant to Article 3 are opened in such a way that imports may be charged without interruption against their accumulated shares in the Community tariff quotas.

2. The Member States shall ensure that importers of the products in question have free access to the shares allocated to them.

3. The Member States shall charge imports of the said goods against their shares as and when such goods are declared for customs purposes to be for free circulation.

4. The extent to which a Member State has used up its share shall be determined on the basis of imports charged in accordance with paragraph 3.

Article 8

At the request of the Commission, Member States shall inform it of imports of the products concerned actually charged against their shares.

Article 9

The Member States and the Commission shall cooperate closely in order to ensure that this Regulation is observed.

Article 10

This Regulation shall enter into force on 1 January 1987.

---

[1] OJ No L 333, 30. 11. 1978, p. 5.
[2] OJ No L 33, 4. 2. 1984, p. 2.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 28 November 1986.

For the Council

The President

A. RUMBOLD
