COMMISSION REGULATION (EEC) No 3802/86

of 12 December 1986

fixing, for 1987, the quotas for imports into Portugal of certain pigmeat products from third countries and certain detailed rules for the application thereof

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Council Regulation (EEC) No 3797/85 of 20 December 1985 laying down detailed rules concerning quantitative restrictions on imports into Portugal from third countries of certain agricultural products subject to the system of transition by stages [1], and in particular Article 3 thereof,

Whereas the initial quotas for imports into Portugal of certain pigmeat products from third countries are set out in the Annex to Commission Regulation (EEC) No 614/86 [2], as amended by Regulation (EEC) No 1995/86 [3]; whereas Article 3 of the said Regulation lays down a minimum annual rate of progressive increase of the quotas of 10 % during the first stage; whereas this increase still reflects market needs; whereas the quotas for 1987 should be fixed;

Whereas, to ensure proper management of the quotas, the applications for import authorizations should be subject to the lodging of a security; whereas provision should also be made for the quotas to be staggered over the year;

Whereas provision should be made for Portugal to communicate information to the Commission on the application of the quotas;

Whereas this Regulation replaces certain provisions of Regulation (EEC) No 614/86; whereas for the sake of clarity the said Regulation should be repealed;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Pigmeat,

HAS ADOPTED THIS REGULATION:
