# COMMISSION REGULATION (EEC) No 3849/86

## of 17 December 1986

## amending Regulation (EEC) No 644/86 fixing for 1986 the initial quotas for imports into Portugal of certain floricultural products from the Canary Islands

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Council Regulation (EEC) No 502/86 of 25 February 1986 laying down general rules for quantitative restrictions on imports into Portugal of certain agricultural products from the Canary Islands (1), and in particular Article 3 thereof,

Whereas Regulation (EEC) No 502/86 provides that the initial quotas for products imported from the Canary Islands are to be fixed between 0.1 % and 0.5 % of Portugal's average annual production, expressed in terms of volume, over the last three years before accession for which statistics are available;

Whereas Commission Regulation (EEC) No 644/86 of 28 February 1986 (2) fixed the initial quotas for 1986 for imports into Portugal of certain floricultural products from the Canary Islands; whereas a 20 % increase in the initial quota, in line with the increase in the quota for imports of such products from third countries, is unlikely to disturb the Portuguese market; whereas Regulation (EEC) No 644/86 should be amended accordingly;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Live Plants,

HAS ADOPTED THIS REGULATION:
