of 22 December 1986

extending the Community surveillance of imports of certain products originating in Japan

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 288/82 of 5 February 1982 on common rules for imports [1], amended by Regulation (EEC) No 1243/86 [2], and in particular Article 10 (3) thereof,

After consultation within the Committee provided by the abovementioned Regulation,

Whereas Commission Regulation (EEC) No 653/83 [3], as last amended by Regulation (EEC) No 130/86 [4], introduced until 31 December 1986 Community retrospective surveillance of imports of certain products originating in Japan;

Whereas it has been agreed that bilateral discussions concerning exports of certain sensitive products from Japan would take place if problems arise; in order to obtain the necessary information for these bilateral discussions it is necessary to continue in 1987 retrospective surveillance of the imports of the abovementioned products, originating in Japan;

Whereas the reasons which were the basis for Regulation (EEC) No 653/83 are essentially still valid and consequently the surveillance arrangements for the products listed in the Annex hereto should be extended,
