COMMISSION REGULATION (EEC) No 582/86

of 28 February 1986

on transitional measures regarding the control system for prices and the quantities of certain products in the oils and fats sector which are released for consumption in Spain and Portugal

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal, and in particular Articles 90 and 257 thereof,

Whereas Articles 94 and 292 of the Act of Accession provide that the national control systems must be replaced by a Community system on 1 March 1986;

Whereas the application of Council Regulation (EEC) No 475/86 of 25 February 1986 laying down general rules for the control system for prices and the quantities of certain products in the oils and fats sector which are released for consumption in Spain [1], and, for Portugal, Regulation (EEC) No 476/86 [2], calls for detailed rules which cannot be adopted before 1 March 1986; whereas transitional measures should therefore be adopted in respect of a period not exceeding the strict minimum; whereas it is advisable to maintain the national arrangements in March 1986;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Oils and Fats,
