COMMISSION REGULATION (EEC) No 628/86

of 28 February 1986

authorizing the Kingdom of Spain temporarily to increase import duties on sunflower oil-cake falling within subheading 23.04 B of the Common Customs Tariff

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal, and in particular Article 75 (5) thereof,

Whereas Council Regulation (EEC) No 3801/85 of 20 December 1985 fixing the basic duties levied on imports into Spain of certain products in the oil and fats sector [1] fixes the duties at a level representative of the 1984/85 marketing year; whereas recent developments on the world market have obliged Spain to increase significantly the regulatory duties charged on imports of sunflower oil-cake; whereas, to avoid disturbance of its internal market, Spain should be authorized, for a limited period, to increase import duties on such oil-cake;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Oils and Fats,

HAS ADOPTED THIS REGULATION:

Article 1

The Kingdom of Spain shall be authorized, for the period from 1 March to 30 April 1986, to increase import duties on sunflower oil-cake falling within subheading 23.04 B of the Common Customs Tariff so as to maintain prices for such oil-cake on the Spanish market at the level obtaining until 28 February 1986.

Article 2

This Regulation shall enter into force on 1 March 1986.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
