# COMMISSION REGULATION (EEC) No 788/86

## of 17 March 1986

## fixing the free-at-Spanish-frontier values applicable on imports of certain cheeses originating in and coming from Switzerland

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Council Regulation (EEC) No 774/86 of 28 February 1986 laying down the arrangements applicable to trade in certain agricultural products with Austria, Finland, Norway, Sweden and Switzerland as result of the accession of Spain and Portugal [1], and in particular Article 1 and Annex V (1) (d) thereof,

Whereas Regulation (EEC) No 774/86 lays down the arrangements applying from 1 March 1986, to trade in certain agricultural products with Austria, Finland, Norway, Sweden and Switzerland; whereas Annex V to that Regulation specifies that Switzerland has undertaken to comply, where applicable, with a free-at-Spanish-frontier value; whereas that value should therefore be calculated, in the light of the prices of the cheeses on the Spanish market, less the total import charges;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Milk and Milk Products,
