COMMISSION REGULATION (EEC) No 1131/87

of 24 April 1987

amending Regulation (EEC) No 152/87 fixing, for the period 1 January to 31 December 1987, the maximum quantity of certain products of the oils and fats sector to be released for consumption and imported into Spain and Portugal

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Council Regulation (EEC) No 475/86 of 25 February 1986 laying down general rules for the system for controlling the prices and the quantities of certain products in the oils and fats sector released for consumption in Spain (1), and in particular Article 16 thereof,

Having regard to Council Regulation (EEC) No 476/86 of 25 February 1986 laying down the general rules for the mechanism for controlling the prices and the quantities of certain products in the oils and fats sector released for consumption in Portugal (2), and in particular Article 14 thereof,

Whereas Article 2 (2) of Commission Regulation (EEC) No 1183/86 of 21 April 1986 laying down detailed rules for the system for controlling the prices and the quantities of certain products in the oils and fats sector released for consumption in Spain (3), as last amended by Regulation (EEC) No 698/87 (4), provides for the fixing of the quantities of oils and fats to be released for consumption in Spain, the maximum annual volume of imports of such products and the quantity of sunflower seed harvested in Spain which may qualify for compensatory aid as provided for in Article 14 of Regulation (EEC) No 475/86 ;

Whereas the maximum quantities were fixed by Commission Regulation (EEC) No 152/87 (5) ;

Whereas, however, the estimated consumption of sunflower oil in Spain for 1987/88 is lower than originally forecast, so that production appears to be in surplus ; whereas the quantity of sunflower seed harvested in Spain and used for the production of oil intended for export which may qualify for the compensatory aid referred to in Article 14 of Regulation (EEC) No 475/86 should therefore be increased ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Oils and Fats,

HAS ADOPTED THIS REGULATION :

Article 1

Regulation (EEC) No 152/87, is hereby amended as follows :

— in Article 1 (1) under (a), the figure '330 000' is replaced by '297 000',

— in Article 3, the figure '0' is replaced by '83 000'.

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities.*

This Regulation shall be binding in its entirety and directly applicable in all Member States.
