of 18 May 1987

amending Regulation (EEC) No 500/87 fixing catch possibilities for 1987 for certain fish stocks and groups of fish stocks in the Regulatory Area as defined in the NAFO Convention

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the proposal from the Commission,

Whereas, in accordance with Article 3 of Regulation (EEC) No 170/83, it is incumbent upon the Council to establish the total allowable catches (TACs) by stock or group of stocks, the share available for the Community and also the specific conditions under which the catches must be made ; whereas, in accordance with Article 4 of the said Regulation, the share available for the Community is to be allocated between the Member States ;

Whereas Council Regulation (EEC) No 500/87 of 16 February 1987 (2) fixed catch possibilities for 1987 for certain fish stocks and groups of fish stocks in the Regulatory Area as defined in the NAFO Convention ;

Whereas, in order to ensure rational management, catch quotas should be allocated between the Member States so as to guarantee the relative stability of fishing ; whereas, in the case in question, this allocation should be made so as to reflect a fair relationship between the rights which each of the Member States may claim and the structural situation which has developed in these circumstances,
