COMMISSION REGULATION (EEC) No 1403/87
of 21 May 1987
fixing the amount of the subsidy on oil seeds

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats [1], as last amended by Regulation (EEC) No 1454/86 [2], and in particular Article 27 (4),

Having regard to Council Regulation (EEC) No 1678/85 of 11 June 1985 fixing the conversion rates to be applied in agriculture [3], as last amended by Regulation (EEC) No 409/87 [4],

Having regard to Council Regulation (EEC) No 1569/72 of 20 July 1972 laying down special measures for colza, rape and sunflower seed [5], as last amended by Regulation (EEC) No 1474/84 [6], and in particular Article 2 (3) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas the target price and the monthly increments in the target price for colza, rape and sunflower seed for the 1986/87 marketing year have been fixed in Regulations (EEC) No 1457/86 [7] and (EEC) No 1458/86 [8];

Whereas the amount of the subsidy referred to in Article 27 of Regulation No 136/66/EEC was fixed by Commission Regulation (EEC) No 577/87 [9], as last amended by Regulation (EEC) No 1330/87 [10];

Whereas, in the absence of the target price for the 1987/88 marketing year for colza, rape seed and sunflower seed, the amount of the subsidy in the case of advance fixing for July, August, September and October 1987 for colza and rape seed and for August and September 1987 for sunflower seed has been obtainable only provisionally on the basis of the target price and the new standard quality for sunflower seed proposed by the Commission to the Council for the marketing year 1987/88; whereas this amount may, therefore, be applied only on a temporary basis and should be confirmed or replaced when the indicative price of the 1987/88 marketing year is known;

Whereas estimated production of colza, rape seed and sunflower seed for the 1987/88 marketing year has not been fixed; whereas the amount, where appropriate, to be deducted from the subsidy in compliance with the system of maximum guaranteed quantities referred to in Article 27a of Regulation No 136/66/EEC could therefore be calculated only provisionally on the basis of the amounts in force for the 1986/87 marketing year; whereas the amounts of the subsidy should therefore only be applied on a temporary basis and should be confirmed or replaced once the effects of the system of maximum guaranteed quantities for colza, rape seed and sunflower seed are known;

Whereas it follows from applying the detailed rules contained in Regulation (EEC) No 3776/86 to the information known to the Commission that the amount of the subsidy at present in force should be altered to the amount set out in the Annexes hereto,

HAS ADOPTED THIS REGULATION:

Article 1

1. The amounts of the subsidy and the exchange rates referred to in Article 33 (2) and (3) of Commission Regulation (EEC) No 2681/83 [11] shall be as set out in the Annexes hereto.

2. The amount of the compensatory aid referred to in Article 14 of Regulation (EEC) No 475/86 and Article 12 of Regulation (EEC) No 476/86 shall be as shown in Annex III to this Regulation for sunflower seed harvested in Spain and Portugal.

3. The amount of the subsidy in the case of advance fixing for July, August, September and October 1987 for colza and rape seed and for August and September 1987 for sunflower seed will, however, be confirmed or replaced as from 22 May 1987 to take into account the target price, and like measures, which is fixed for these products for the 1987/88 marketing year.

4. However, the amount of the subsidy in the case of advance fixing for July, August, September and October 1987 for colza and rape seed and for August and September 1987 for sunflower seed will be confirmed or replaced as from 22 May 1987 to take into account, where appropriate, the effects of the application of the system of maximum guaranteed quantities for colza, rape seed and sunflower seed.

Article 2

This Regulation shall enter into force on 22 May 1987.
