THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1677/85 of 11 June 1985 on monetary compensatory amounts in agriculture (1), as last amended by Regulation (EEC) No 90/87 (2), and in particular Article 12 thereof,

Whereas detailed rules for the calculation of monetary compensatory amounts are laid down in Commission Regulation (EEC) No 3153/85 (3), as amended by Regulation (EEC) No 966/87 (4);

Whereas Article 9 of Regulation (EEC) No 3153/85 lays down mechanisms to be applied for the comparison of offer prices with Community minimum prices in the case of certain agricultural products imported from third countries in order to take account of the impact of the monetary situation; whereas for both economic and technical reasons the system currently used in the egg, poultrymeat and albumin sectors should be aligned on that applied in the pigmeat sector;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Poultrymeat and Eggs,

HAS ADOPTED THIS REGULATION:

the amount referred to below, is not less than the sluice-gate price.
