of 15 June 1987

amending Regulations (EEC) No 1183/86 and (EEC) No 1184/86 on detailed rules for the system for controlling certain products in the oils and fats sector in Spain and Portugal respectively

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Council Regulation (EEC) No 475/86 of 25 February 1986 laying down general rules for the system for controlling the prices and the quantities of certain products in the oils and fats sector released for consumption in Spain (1), and in particular Article 16 thereof,

Having regard to Council Regulation (EEC) No 476/86 of 25 February 1986 laying down general rules for the mechanism for controlling the prices and the quantities of certain products in the oils and fats sector released for consumption in Portugal (2), and in particular Article 14 thereof,

Whereas Article 14 of Regulation (EEC) No 475/86 and Article 12 of Regulation (EEC) No 476/86 provide that compensatory aid is to be granted only if the forward estimate shows a positive balance for certain oilseeds; whereas for the granting of that aid the operators must identify the seeds in accordance with the detailed rules laid down in Commission Regulation (EEC) No 2681/83 of 21 September 1983 laying down detailed rules for the application of the subsidy system for oil seeds (3), as last amended by Regulation (EEC) No 532/87 (4); whereas, owing to the quarterly revision of that estimate, the positive balance may arise during the calendar year; whereas the conditions for granting the compensatory aid to the operators who have already identified the seeds to obtain the aid provided for in Article 27 of Council Regulation No 135/66/EEC (5) should be specified by way of an adaption to Commission Regulation (EEC) No 1183/86 (6), as last amended by Regulation (EEC) No 698/87 (7), and Commission Regulation (EEC) No 1184/86 (8), as last amended by Regulation (EEC) No 565/87 (9),

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Oils and Fats,

'1a. If the seeds have already been identified with a view to obtaining the aid provided for in Article 27 of Council Regulation No 136/66/EEC (1), the interested party may apply for the compensatory aid on condition that the export of a quantity of oil corresponding to that which may be obtained from the seeds has been authorized by the issue of the export document.
