COUNCIL REGULATION (EEC) No 1903/87

of 2 July 1987

fixing the monthly price increases for cereals, wheat and rye flour and wheat groats and meal for the 1987/88 marketing year

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals (1), as last amended by Regulation (EEC) No 1900/87 (2), and in particular Article 6 (2) thereof,

Having regard to the proposal from the Commission (3),

Whereas, when the number and amount of the monthly increases are fixed, account should be taken of the storage costs and financing charges for storing cereals in the Community; whereas experience has shown that the level of the monthly increases for cereals can encourage operators to hold on to cereals; whereas, so that stocks can be disposed of more smoothly, these increases and the number thereof should be reduced somewhat;

Whereas the reasons set out above are not valid as regards the period during which the monthly increases apply to the target and threshold prices; whereas the previous period of application should therefore be maintained in the case of those prices;

Whereas, as regards the threshold prices for maize and sorghum, the monthly increases are, moreover, determined in accordance with the last subparagraph of Article 5 (1) of Regulation (EEC) No 2727/75,

HAS ADOPTED THIS REGULATION:

Article 1

For the 1987/88 marketing year, the monthly increases to be applied to the target price, threshold price, intervention price and to the buying-in price referred to in Article 7 (4) of Regulation (EEC) No 2727/75 shall be as set out in this Regulation.

Article 2

The monthly increases to be applied to the target price, threshold price, intervention price and to the buying-in price for common wheat, rye, barley, maize, sorghum and durum wheat, operative for the first month of the marketing year, shall be as follows:
