COMMISSION REGULATION (EEC) No 2106/87

of 16 July 1987

fixing the amount of the subsidy on oil seeds

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats [1], as last amended by Regulation (EEC) No 1915/87 [2], and in particular Article 27 (4) thereof,

Having regard to Council Regulation (EEC) No 1678/85 of 11 June 1985 fixing the conversion rates to be applied in agriculture [3], as last amended by Regulation (EEC) No 1953/87 [4],

Having regard to Council Regulation (EEC) No 1569/72 of 20 July 1972 laying down special measures for colza, rape and sunflower seed [5], as last amended by Regulation (EEC) No 1869/87 [6], and in particular Article 2 (3) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas the target price and the monthly increments in the target price for colza, rape and sunflower seed for the 1987/88 marketing year have been fixed in Council Regulations (EEC) No 1917/87 [7] and (EEC) No 1918/87 [8];

Whereas the amount of the subsidy referred to in Article 27 of Regulation No 136/66/EEC was fixed by Commission Regulation (EEC) No 2004/87 [9], as amended by Regulation (EEC) No 2053/87 [10];

Whereas the abatement of the subsidy which arises, where appropriate, from the system of maximum guaranteed quantites for the 1987/88 marketing year, has not, to date, been fixed following the latest change in this system by the Council; whereas the amount of the subsidy for the 1987/88 marketing year has been provisionally calculated on the basis of an abatement of 4,502 ECU per 100 kg for colza and rape seed and on the basis of an abatement of 2,918 ECU per 100 kg for sunflower seed;

Whereas the standard quality for sunflower seed has been changed by the Council for the 1987/88 marketing year; whereas the coefficients of equivalence applied to the prices of sunflower seed from third countries should be adjusted accordingly and have not yet been fixed; whereas the amount of the subsidy for sunflower seed for the 1987/88 marketing year was calculated on the basis of coefficients of equivalence adapted to the new standard quality;

Whereas provisions specifying that the differential amount is calculated on the basis of the target price less 7,5 % should be adopted; whereas the differential amounts for the 1987/88 marketing year were calculated on this basis for colza and rape seed subject to the adoption by the Commission of the Regulation laying down the provisions in question;

Whereas it follows from applying the detailed rules contained in Regulation (EEC) No 2004/87 to the information known to the Commission that the amount of the subsidy at present in force should be altered to the amount set out in the Annexes hereto,

HAS ADOPTED THIS REGULATION:

Article 1

1. The amounts of the subsidy and the exchange rates referred to in Article 33 (2) and (3) of Commission Regulation (EEC) No 2681/83 [11] shall be as set out in the Annexes hereto.

2. The amount of the compensatory aid referred to in Article 14 of Council Regulation (EEC) No 475/86 [12] shall be as shown in Annex III to this Regulation for sunflower seed harvested in Spain.

3. The amount of the special subsidy provided for by Council Regulation (EEC) No 1920/87 [13] for sunflower seed harvested and processed in Portugal is fixed in Annex III.

4. However, the amount of the subsidy for the 1987/88 marketing year for colza, rape and sunflower seed will be confirmed or replaced with effect from 17 July 1987 to take account, where appropriate, of the effects of the application of the system of maximum guaranteed quantities and of the effect of the change in the standard quality for sunflower seed.

Article 2

This Regulation shall enter into force on 17 July 1987.
