COMMISSION REGULATION (EEC) No 2286/87

of 30 July 1987

on arrangements for imports into France of certain textile products (category 36) originating in South Korea

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 4136/86 of 22 December 1986 on common rules for imports of certain textile products originating in third countries (1), and in particular Article 11 thereof,

Whereas Article 11 of Regulation (EEC) No 4136/86 lays down the conditions under which quantitative limits may be established ; whereas imports into the Community of certain textile products (category 36) specified in the Annex hereto and originating in South Korea have exceeded the level referred to in paragraph 3 of the said Article 11 ;

Whereas, in accordance with paragraph 5 of the said Article 11 of Regulation (EEC) No 4136/86, on 18 June 1987, South Korea was notified of a request for consultations ; whereas, pending a mutually satisfactory solution, the Commission has requested South Korea for a provisional period of three months to limit exports to France of products falling within category 36 to 54 tonnes with effect from the date of notification of the request for consultations ; whereas pending the outcome of the requested consultations quantitative limits identical to those requested of the supplier country should be applied provisionally to imports of the category of products in question ;

Whereas paragraph 13 of the said Article 11 ensures that the quantitative limits are observed by means of a double-checking system in accordance with Annex VI to Regulation (EEC) No 4136/86 ;

Whereas the products in question exported from South Korea to the Community between 18 June 1987 and the date of entry into force of this Regulation must be set off against the quantitative limits which have been introduced ;

Whereas these quantitative limits should not prevent the importation of products covered by them shipped from South Korea before the date of entry into force of this Regulation ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Textile Committee,

HAS ADOPTED THIS REGULATION :

Article 1

Without prejudice to the provisions of Article 2, imports into France of the category of products originating in South Korea and specified in the Annex hereto shall be subject to the provisional quantitative limit set out in that Annex.

Article 2

1. Products as referred to in Article 1 shipped from South Korea to France before the date of entry into force of this Regulation and not yet released for free circulation, shall be so released subject to the presentation of a bill of lading or other transport document proving that shipment actually took place during that period.

2. Imports of products shipped from South Korea to France after the entry into force of this Regulation shall be subject to the double-checking system described in Annex VI to Regulation (EEC) No 4136/86.

3. All quantities of products shipped from South Korea on or after 18 June 1987 and released for free circulation shall be deducted from the quantities limit laid down. This provisional limit shall not, however, prevent the importation of products covered by it but shipped from South Korea before the date of entry into force of this Regulation.

Article 3

This Regulation shall enter into force on the day following its publication in the *Official Journal of the European Communities.*

It shall apply until 17 September 1987.

(1) OJ No L 387, 31. 12. 1986, p. 1.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
