of 31 July 1987

amending Regulation (EEC) No 4100/86 fixing the standard values to be used in calculating the financial compensation and the advance pertaining thereto in respect of fishery products withdrawn from the market for the 1987 fishery year

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to Council Regulation (EEC) No 3796/81 of 29 December 1981 on the common organization of the market in fishery products (1), as last amended by Regulation (EEC) No 3879/86 (2), and in particular Article 13 (7) thereof,

Whereas Article 13 of Regulation (EEC) No 3796/81 provides for the payment of financial compensation to producers' organizations which intervene, on certain conditions, in respect of the products listed in Annex I (A) and (D) to that Regulation ; whereas the amount of such financial compensation must be reduced by standard values in the case of products intended for purposes other than human consumption ; whereas Commission Regulation (EEC) No 4100/86 (3) fixed the abovementioned standard values for each mode of disposal for the 1987 fishing year ;

Whereas for some time substantial long-term price changes have been recorded on the Community market for certain fishery products ; whereas the level of the standard value applicable to the species concerned must therefore be adjusted ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Fishery Products,
