COMMISSION REGULATION (EEC) No 2412/87

of 7 August 1987

amending Council Regulation (EEC) No 3677/86 laying down rules for the implementation of Council Regulation (EEC) No 1999/85 on inward processing relief arrangements

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1999/85 of 16 July 1985 on inward processing relief arrangements [1] hereinafter called the basic Regulation, and in particular Article 2, paragraph 4 thereof,

Whereas Council Regulation (EEC) No 3677/86 [2] as last amended by Commission Regulation (EEC) No 3957/86 [3], laid down rules for the implementation of the basic Regulation;

Whereas Regulation (EEC) No 3957/86 prohibits recourse to equivalent compensation of certain common and durum wheats;

Whereas, for commercial reasons, the possibility should be provided to derogate from this prohibition; whereas, in order to do that, it is necessary to assure that the Commission can take the decision necessary from the said prohibition under the best possible conditions;

Whereas it is appropriate, for reasons of clarity, to consolidate in this Regulation the appropriately amended provisions of Regulation (EEC) No 3957/86 while repealing the last mentioned Regulation;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Committee for customs processing arrangements,

HAS ADOPTED THIS REGULATION:
