COMMISSION REGULATION (EEC) No 2435/87

of 11 August 1987

fixing definitively the export refund for colza and rape seed applicable from 1 February to 31 July 1987 for the 1987/88 marketing year

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats [1], as last amended by Regulation (EEC) No 1915/87 [2],

Having regard to Council Regulation No 142/67/EEC of 21 June 1967 on export refunds on colza, rape and sunflower seeds [3], as last amended by Regulation (EEC) No 2429/72 [4], and in particular Article 2 (3) thereof,

Whereas Council Regulation (EEC) No 1890/87 of 2 July 1987 amending Regulation (EEC) No 1678/85 fixing the conversion rates to be applied in agriculture [5] lays down the new agricultural conversion rates applicable from 1 July 1987 for colza and rape seed ; whereas, for the application of Article 6 of Council Regulation (EEC) No 1676/85 of 11 June 1985 on the value of the unit of account and the conversion rates to be applied for the purposes of the common agricultural policy [6], as last amended by Regulation (EEC) No 1636/87 [7], the amounts in national currencies of the export refunds fixed in advance by the Regulations adopted before 10 July 1987 which took account of the agricultural conversion rates applicable on the dates of their entries into force should be adjusted for the months concerned by the new agricultural conversion rates ;

Whereas, between 1 February and 13 July 1987, the provisional amounts of the refund in question valid for July to December 1987 took account of the target price and the monthly increases in that price valid for the 1985/86 marketing year or proposed by the Commission to the Council for the 1987/88 marketing year ;

Whereas such fixing, done subject to the Council decisions, was necessary owing to the lack of a regulation fixing the target price and of a regulation fixing the monthly increases in the target price for the 1987/88 marketing year ; whereas Council Regulation (EEC) No 1917/87 [8] fixed the target prices and intervention prices for colza, rape and sunflower seed for the 1987/88 marketing year and Council Regulation (EEC) No 1918/87 [9] fixed the monthly increases in the target and intervention prices for colza, rape and sunflower seed for the 1987/88 marketing year ;

Whereas, between 1 February and 31 July 1987, the provisional amounts of the refund in question applicable for July to December 1987 were fixed subject to the amount to be deducted under the system of maximum guaranteed quantities ; whereas that abatement was fixed by Commission Regulation (EEC) No 2295/87 [10] ;

Whereas the amounts of the export refunds for colza and rape seed valid provisionally should therefore be confirmed or altered and they should be fixed definitively,

HAS ADOPTED THIS REGULATION :

Article 1

1. The amounts of the export refund for colza and rape seed fixed in advance for July to December 1987, as set out in the Annexes to Commission Regulations (EEC) No 295/87 [11], (EEC) No 420/87 [12], (EEC) No 592/87 [13], (EEC) No 921/87 [14], (EEC) No 1204/87 [15], (EEC) No 1521/87 [16] and (EEC) No 1857/87 [17], shall be replaced by the amounts set out in the tables in the Annexes hereto and which shall be fixed definitively from the date of entry into force of the Regulations in question.

2. The amounts of the export refund for colza and rape seed set out in the Annex to Commission Regulation (EEC) No 2061/87 [18] are hereby confirmed.
