COMMISSION REGULATION (EEC) No 2470/87

of 13 August 1987

on arrangements for imports into France of certain textile products originating in South Korea

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 4136/86 of 22 December 1987 on common rules for imports of certain textile products originating in third countries (1), and in particular Article 11 thereof,

Whereas Article 11 of Regulation (EEC) No 4136/86 lays down the conditions under which quantitative limits may be established; whereas imports into France of certain textile products (category 36), specified in the Annex hereto and originating in South Korea have exceeded the level referred to in paragraph 3 of the said Article 11;

Whereas, in accordance with paragraph 5 of the said Article 11 of Regulation (EEC) No 4136/86, on 18 June 1987 South Korea was notified of a request for consultations;

Whereas, pending the outcome of the requested consultations, imports into France were made subject to a provisional quantitative restriction for the period from 18 June to 17 September 1987 by Commission Regulation (EEC) No 2286/87 (2);

Whereas, in the course of consultations held on 6 August 1987, it was agreed that imports of products falling within category 36 into France should be subject to quantitative limits for the years 1987 to 1991;

Whereas paragraph 13 of the said Article 11 provides for compliance with the quantitative limits to be ensured by means of a double-checking system in accordance with Annex VI to Regulation (EEC) No 4136/86;

Whereas the products in question exported from South Korea into France beween 1 January 1987 and the date of entry into force of this Regulation must be set off against the quantitative limit for 1987;

Whereas this quantitative limit does not prevent the importation of products covered thereby but shipped from South Koreo to France before the entry into force of Regulation (EEC) No 2286/87;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Textile Committee,
