of 17 August 1987

re-establishing the levying of customs duties on alkaloids of cinchona, falling within subheading 29.42 B of the Common Customs Tariff originating in Indonesia to which the preferential tariff arrangements set out in Council Regulation (EEC) No 3924/86 apply

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3924/86 of 16 December 1986 applying generalized tariff preferences for 1987 in respect of certain industrial products originating in developing countries (1), and in particular Article 15 thereof,

Whereas, pursuant to Article 1 of Regulation (EEC) No 3924/86 duties on the products listed in Annex II originating in each of the countries or territories listed in Annex III shall be totally suspended and the products as such shall, as a general rule, be subject to statistical surveillance every three months on the reference base referred to in Article 14;

Whereas, as provided for in Article 14 of that Regulation, where the increase of preferential imports of these products, originating in one or more beneficiary countries, causes, or threatens to cause, economic difficulties in the Community or in a region of the Community, the levying of customs duties may be re-established once the Commission has had an appropriate exchange of information with the Member States; whereas for this purpose the reference base to be considered shall be, as a general rule, equal to 5 % of the total importations into the Community, originating from third countries in 1984;

Whereas, in the case of alkaloids of cinchona, falling within subheading 29.42 B of the Common Customs Tariff, the reference base is fixed at 767 000 ECU; whereas, on 7 August 1987, imports of these products into the Community originating in Indonesia reached the reference base in question after being charged there against; whereas the exchange of information organized by the Commission has demonstrated that continuance of the preference threatens to cause economic difficulties in a region of the Community; whereas, therefore, customs duties in respect of the products in question must be re-established against Indonesia,
