COMMISSION REGULATION (EEC) No 2532/87

of 20 August 1987

amending and correcting certain monetary compensatory amounts

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1677/85 of 11 June 1985 on monetary compensatory amounts in agriculture (1), as last amended by Regulation (EEC) No 1889/87 (2), and in particular Article 12 thereof,

Whereas the monetary compensatory amounts introduced by Regulation (EEC) No 1677/85 were fixed by Commission Regulation (EEC) No 1956/87 (3), as last amended by Regulation (EEC) No 2457/87 (4);

Whereas the monetary compensatory amounts applicable to products whose production cost is affected by the production refund provided for in Article 11 of Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals (5), as last amended by Regulation (EEC) No 1900/87 (6), must be calculated taking into account that refund; whereas, in the case of Spain, the refund must be reduced by the accession compensatory amount;

Whereas the monetary compensatory amounts applicable to the abovementioned products at the beginning of 1987/88 marketing year in Spain were calculated erroneously on the basis of the production refund and of the accession compensatory amount applicable during the preceding marketing year; whereas the necessary corrections should be made and the corrected compensatory amount applied, at the request of interested parties, with effect from 1 July 1987;

Whereas, moreover, the price selected as a basis for calculating the monetary compensatory amount applicable to cereals with effect from 1 July 1987 has been fixed at 92,5 % of the intervention price; whereas this decision entails the application in Spain of monetary compensatory amounts for products affected by a production refund which differs slightly from those applicable in the other Member States in spite of the fact that the production cost in ECU for starch products is identical throughout the Community; whereas appropriate measures should be taken therefore to ensure that the monetary compensatory amount applicable in Spain is calculated on the same basis as in the other Member States;

Whereas, for the basic product sugar incorporated in products covered by Council Regulation (EEC) No 3033/80 of 11 November 1980 laying down the trade arrangements applicable to certain goods resulting from the processing of agricultural products (7) for Spain, the monetary compensatory amounts have been calculated with effect from 1 July 1987 on the basis of the Community price; whereas, however, the current monetary compensatory amount must be calculated on the basis of the price applicable in Spain; whereas the amounts concerned should therefore be corrected;

Whereas uncertainty as to the tariff classification of products obtained by grinding or milling whole maize plants has necessitated an opinion of the Nomenclature Committee so as to ensure the uniform application of the Common Customs Tariff Nomenclature; whereas, in accordance with that opinion, those products are to be classified under CCT subheading 23.02 A I a); whereas by virtue of this classification these products will henceforth be subject to monetary compensatory amounts; whereas failure in the past to apply monetary compensatory amounts to the products in question has not created any difficulties in intra-Community trade; whereas it would be advisable therefore not to apply monetary compensatory amounts in intra-Community trade;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

Regulation (EEC) No 1956/87 is hereby amended as follows:
