COMMISSION REGULATION (EEC) No 2709/87

of 9 September 1987

amending Regulation No 282/67/EEC on detailed rules for intervention for oil seeds

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal,

Whereas Article 7 of Commission Regulation No 282/67/EEC [3], as last amended by Regulation (EEC) No 1981/87 [4], provides that increases or reductions are to be made in the intervention price paid for seed which is not of standard quality; whereas, in view of price developments during the 1985/86 marketing year the increases and reductions set out in Annex I to Regulation No 282/67/EEC should be altered; whereas particular increases and reductions should be laid down for sunflower seed offered for intervention in Spain, in view of price levels in that Member State;

Whereas the intervention price for sunflower seed for the 1987/88 marketing year was fixed by Council Regulation (EEC) No 1917/87 [5] for seed the standard quality of which has a moisture cotent of 9 %; whereas Regulation No 282/67/EEC should be amended accordingly;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Oils and Fats,
