(1) Hams, fore-ends, shoulders or loins and parts thereof (excluding the jowl, traded separately).

(2) Other products than those falling under footnote (1).

(3) The monetary compensatory amounts shall not apply to products presented in the form of meal or powder, whether or not in compounded form.

(4) If composite food preparations (including prepared dishes) containing sausages are classified under tariff heading No 16.01 because of their composition, the monetary compensatory amount is applied only on the net weight of the sausages, the meat and the offal, including fats of any kind or origin, which make part of these preparations.

(5) The grant of monetary compensatory amounts in respect of these products is subject to compliance with the conditions for the grant of refunds laid down in Regulation (EEC) No 171/78. The exporter or importer, at the time of the conclusion of customs formalities concerning the export or the import in a Member State paying the monetary compensatory amount, shall declare in writing that the products in question fulfil these conditions.

(6) Products which have not been subjected to any heat treatment or which have been subjected to a heat treatment insufficient to ensure the coagulation of meat proteins in the whole of the product and which therefore show traces of a pinkish liquid on the cut surface when the product is cut along a line passing through its thickest part.

(7) Other products than those falling under footnote (6).

(a) The monetary compensatory amounts applicable to sausages in containers which also contain preservative liquid are based on the net weight, i.e. after the deduction of the weight of the liquid.
