COMMISSION REGULATION (EEC) No 3189/87

of 23 October 1987

fixing the prices to be used to calculate the value of agricultural products in intervention storage and to be carried forward to 1988

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1883/78 of 2 August 1978 laying down general rules for the financing of intervention by the Guarantee Section of the European Agricultural Guidance and Guarantee Fund (1), as last amended by Regulation (EEC) No 2095/87 (2), and in particular the first subparagraph of Article 8 thereof,

Whereas Council Regulation (EEC) No 3183/87 of 19 October 1987 laying down special rules for the financing of the common agricultural policy (3) introduces a temporary alteration to the system of advances; whereas Commission Regulation (EEC) No 3184/83 (4), as last amended by Regulation (EEC) No 3188/87 (5), provides, for expenditure for public storage operations, for the latter to be declared on the basis of accounts as at 30 September; whereas the value of the stocks at the end of the year must therefore be calculated on the basis of the stocks at 30 September;

Whereas the products stored are valued generally at a carry-over price which corresponds to the average buying-in price; whereas, to that end, the actual prices paid by the intervention agencies during the period from 1 December 1986 to 30 September 1987, including stocks carried forward from 1986 and entered in the accounts on 1 December 1986 at the carry-over price, should be used as a basis;

Whereas the carry-over prices must be established by the paying agencies for intervention products stored under their responsibility and for which the expenditure is to be declared in the annual accounts referred to in Article 4 (1) of Regulation (EEC) No 1883/78;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the EAGGF Committee,

HAS ADOPTED THIS REGULATION:

Article 1

The carry-over prices to be used to calculate the value of agricultural products in intervention storage and to be carried forward to the 1988 financial year shall be recorded by the paying agencies for the agricultural products in public intervention storage under their responsibility at 30 September 1987. The Member States shall notify the Commission not later than 30 November 1987 and the carry-over prices recorded.

Article 2

The carry-over price of a stored product shall be the average buying-in price for the accounting period just ended, account being taken of stock carried over from the preceding accounting period assessed at the preceding carry-over price and also of the depreciations carried out in the accounting period.

Article 3

As regards the prices to be applied pursuant to Article 4 (3) of Council Regulation (EEC) No 3247/87 (6) in the case of an accident, and for transfers of agricultural products between two intervention agencies as provided for in Regulations (EEC) No 1322/85 (7), (EEC) No 1341/86 (8) and (EEC) No 1870/87 (9), the Commission shall establish the carry-over prices on the basis of the carry-over prices recorded in accordance with Article 1.

Article 4

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities.*
