COMMISSION REGULATION (EEC) No 34/87

of 7 January 1987

fixing the quotas for 1987 to be opened by Portugal in respect of certain products of the wine sector from third countries

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3797/85 of 20 December 1985 laying down detailed rules concerning quantitative restrictions on imports into Portugal from third countries of certain agricultural products subject to transition by stage [1], and in particular Article 3 (1) thereof,

Whereas, pursuant to Article 1 of Regulation (EEC) No 3797/85, Portugal shall apply quantitative restrictions in the form of annual quotas in respect of certain products in the wine sector; whereas the quotas for 1987 should be fixed taking account, in particular, of the initial quotas and of the trade recorded; whereas an increase of 10 % by comparison with the initial quota fixed by Regulation (EEC) No 841/86 [2] seems adequate;

Whereas provision should be made for informing the Commission of imports into Portugal of the said products under the quotas fixed and of the measures taken by Portugal for the application of these quotas;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Wine,

HAS ADOPTED THIS REGULATION:
