COMMISSION REGULATION (EEC) No 3965/87

of 22 December 1987

fixing the sluice-gate prices and levies for pigmeat

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Council Regulation (EEC) No 2759/75 of 29 October 1975 on the common organization of the market in pigmeat (1), as last amended by Regulation (EEC) No 3906/87 (2), and in particular Articles 8 and 12 (1) thereof,

Whereas sluice-gate prices and levies for the products specified in Article 1 (1) of Regulation (EEC) No 2759/75, must be fixed in advance for each quarter in accordance with the methods of calculation laid down in Commission Regulation (EEC) No 2083/87 of 15 July 1987 fixing the levies and sluice-gate prices on pigmeat (3);

Whereas, pending the amendment of Regulation (EEC) No 2759/75, the Commission had, by way of an exception, limited by Regulation (EEC) No 3225/87 (4) the fixing of the sluice-gate prices and levies for pigmeat to a period ending on 31 December 1987; whereas, after adoption by the Council of Regulation (EEC) No 3906/87 following the introduction of the combined nomenclature, the amounts for January 1988 may be fixed on the basis of the calculation figures used for fixing the sluice-gate prices and levies by Regulation (EEC) No 3225/87, taking into account the coefficients to calculate the levies for derived products as set out in Regulation (EEC) No 3944/87 (5);

Whereas, in the case of pigment products, in respect of which the rate of duty has been bound within GATT, the levies should be limited to the amounts resulting from that binding;

Whereas Commission Regulation (EEC) No 616/86 of 28 February 1986 on the application of import levies on pigmeat products from Portugal (6) suspended the application of import levies on pigmeat products from Portugal owing to the minimal difference between the prices obtaining in the Community on the one hand and in Portugal on the other hand; whereas the situation still pertains;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Pigmeat,

HAS ADOPTED THIS REGULATION:
