COUNCIL REGULATION (EEC) No 409/87

of 9 February 1987

amending Regulation (EEC) No 1678/85 fixing the conversion rates to be applied in agriculture

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1676/85 of 11 June 1985 on the value of the unit of account and the conversion rates to be applied for the purposes of the common agricultural policy (1), and in particular Article 2 (3) thereof,

Having regard to the proposal from the Commission,

Having regard to the opinion of the Monetary Committee,

Whereas the agricultural conversion rates now applicable were fixed by Regulation (EEC) No 1678/85 (2), as last amended by Regulation (EEC) No 3923/86 (3); whereas new pigmeat sector rates reflecting the present economic situation more closely should be set for the Danish krone, the Spanish peseta, the French franc, the Greek drachma, the Irish pound, the Italian lira and the pound sterling;

Whereas these rates must be adapted having due regard to their effects, in particular on prices, and to the present situation in the Member States concerned; whereas, in view of the present situation on the market in pigmeat, an adaptation of the rates in two stages appears desirable,

HAS ADOPTED THIS REGULATION:

Article 1

Annexes II, IV, V, VI, VII, VIII and XI to Regulation (EEC) No 1678/85 are hereby replaced by those appearing in the Annex to this Regulation.

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities.*

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 9 February 1987.
